Uintage Yorke Group of books is a good Series! I'd recommend this book to anybody who loves stories of achievement. I would recommend all of the Classic Yorke Series books because they deal with real world problems and offer real world solutions. All of them are inspiring stories for young readers to learn how to overcome a few of the issues they could face at school every day. Great bedtime read for children, parents and grandparents! Basic dialogue that helps to bring awareness of this prevalent concern inside our academic institutions could stand to produce a WORLD of modification. What a great way to teach this lesson! I would recommend these books for just about any counselor working with children. A great book This is an excellent book that provides a very different approach to school problems. I am in sixth quality. Bullying is certainly something I struggled with from 3rd grade until 5th grade, and this book clarifies bullying well. I could really relate with Timmy Turtle. The usage of alliteration atlanta divorce attorneys name is very cool. Also, I like that every character can be an animal. This book delightfully tackles a few of the difficult issues facing children today. An extremely well written book. Great browse and a required message to share . great book This book is a good, good, educational book everyone should read this! . Billy the Bully Goat, Freda the style Ferret and Ephrin D. Elephant by David Yorke Illustrated by Lisa Owen-Lynch What a fun and colorful assortment of stories for youthful and old as well! Teaching kindness, being respectful and caring towards others are the attributes this book reflects. The story lines have a nonthreatening approach to address some very delicate subject areas for our kids. Yorke tells and enough time sensitive message it keeps for the young kids today! Billy the Bully Goat Billy the Bully Goat is a fantastic story that may stimulate important conversations with children. Uintage Yorke Series I am a school psychologist and I take advantage of the Classic Yorke Series during my social skills groupings. Wonderful illustrations and unforgettable characters. What a wonderful tale Mr. I've go through it to my college students and they have found it to become both entertaining and meaningful! . Very well written about everyday problems children encounter in college and how they deal with each situation. And the illustrations are superb! Great conversation beginner that deal with today's difficult issues for our kids. My students enjoy the stories and discover it easy to recognize with the fun "animal characters". A Great Story About Hope! This story deals with the problem of bullying with sensitivity to all the characters involved! It makes my kids laugh and consider how everyone would feel in this situation. The heroes are endearing and the storyline is precious. Making a difference This book ought to be introduced to all or any our young children in grade school. Whether you are a parent or teacher, this tale helps start discussions about the consequences of bullying and the importance of being kind to others regardless of their differences. Everyone Can Relate One of many great books by this Author. Each with such a wonderful message that ages can relate with. Billy the Bully Goat - Uintage Yorke Series Enjoyed reading all of the Uintage Yorke Series Books with my children.
