Ephrin D. Lisa Owen-Lynch's illustrations will be the best yet in this endearing series of children's books. Yorke once again skillfully weaves one of today's more challenging subjects, child obesity, right into a tale of redemption. With Ephrin D. Elephant, Mr. As college psychologist, Joni Childers, states, "" Elephant is a child with a weight problem that will not be solved over night, but with the help of family, friends, and his learning community , he works through his issues within an inspiring way.

Great conversation starter that deal with today's difficult problems for our children. His stories plucked at my heart strings from the very start, as so many children are facing these sociable challenges that many would like to ignore, or pretend don't exist. Vintage Yorke Group of books is an excellent Series! I highly recommend his books to elementary principals, librarians, instructor, and parents. Each story will provide opportunities for reflection and dialogue and will provide to the open some positive choices for today's children. Great job Mr. Yorke! Elephant is crucial read for children and adults alike! Teachers and parents will see this book a way to start dialogue with kids, on how to are more delicate to others. Ephrin D. In a global where childhood obesity is growing at alarming rates, Ephrin teaches children to worth themselves and will prompt parents and teachers to teach children on this serious issue. In this addition to his Classic Yorke series, the author tells a tale of a character studying self-esteem and finding belief in yourself. Ephrin D. Yorke's tales contain characters that just about any child can relate to, and each sends a confident and uplifting message. Ephrin D. Yorke! All of them are inspiring stories for young readers to understand how to overcome a few of the issues they could face at school every day. Another champion from David Yorke! Ephrin D. Elephant handles an important issue facing most of us today, weight problems. Yorke does an excellent job with this challenging problem that too many children are facing. Elephant Once again, David Yorke has inspired kids and challenged parents and teachers to contact on a subject (childhood obesity) that is both difficult and an evergrowing concern for the future of our youth. The illustrations are finely detailed and will help to make this a well worn book over time. This book delightfully tackles a few of the difficult issues facing children today. Elephant - Classic Yorke Series Enjoyed reading all the Vintage Yorke Series Books with my children. I would suggest all of the Vintage Yorke Series books because they deal with real world problems and offer real life solutions. As a person who dealt with childhood obesity, this publication has long been overdue. Not only do we see Ephrin's struggles, but the tale also provides some constructive actions which can pave the way for conversations about changes in lifestyle that will possess a positive effect on children and their families long after reading the publication. Thank you for tackling this delicate issue so insightfully. Ephrin D. Elephant Great job Mr. Regional author hits about big topics Writer David Yorke hits on some important and timely public topics in his trilogy of children's stories, such as for example healthy snack choices to help fight childhood obesity, gender issues and bullying. Fantastic illustrations and memorable people. Encouraging I really enjoyed scanning this story as it talks about the emotions of defeat and how he navigates through an activity of gaining the courage to achieve success. I love the emphasis on Ephrins satisfaction in his accomplishments. Elephants Have Emotions Too! The essential message in this book is that you have to accept and appreciate yourself. Elephant is really a story about self-esteem. Ephrin D. That's definately a message I want my children to listen to!
