Thanks, Ms. My piercer just recommended using H2Sea 3 times a time and whatever soap I found in the shower. I needed more comprehensive care instructions especially since I am considering another piercing. Five Stars Excellent Five Stars Good Knowledge at your fingertips This book is a must have for anybody who has piercings and an interest in body modification, in addition to for professional piercers. loved it! I understand people sometimes want to abandon a piercing that is irritated or infected. There's usually no need. This book gave me many good tips and I'm so glad!Very Helpful Reference I purchased this after getting my navel pierced. Angel, for another great go-to book! Got me through my nipple piercings.. Five Stars Great book. She is awesome! Definitely recommend As stated Accurate and required information.. Good advice. Five Stars Great book, very detailed information about healing! Answered all my queries on what things to expect and more! Elayne's knowledge is definitely immense, and her tips is self-explanatory, make-sense assistance that eases issues about troublesome piercings.! Just follow the wonderful information Elayne Angel has provided, as she usually does, and your piercings will many thanks! This book provides calmed my fears a little bit because I believed my commercial was infected- I believe it's only a case of hyper granulation tissue! This book contains plenty of info in clear to see language.
