Five Stars good book Five Stars Awesome book, definitely recommend it Four Stars Just what was needed! It's definitely staying in my library.great reference book currently in massage therapy school, this book covers everything for swedish massage. Very good Swedish Book This is probably among the best Swedish Books I have found. I take advantage of it when teaching my classes continuously. Excellent compared to some of the books out there. Good Book Love this book. It emerged promptly and can be in great shape. At our college we dont massage the chest also for males, this book covers male chest massage which is awesome.
