excellent advice to make the most of shopping online and at offline stores Ms. Gatzogiannis does a fantastic job of explaining how exactly to do one's analysis in brick and mortar stores in order to get the best sense of suit, fabric, and garment/footwear construction. She describes how the annual sale cycles just work at major shops and online shopping sites, and how to use internet tools to get the best prices, as well as how to make the most of sample sales and outlets.. I browsed for a little bit. But if you have expensive flavor but a little budget and want new items from reputable and easily accessible merchants, this work will end up being a great resource. Paying the low cost of this book will save you thousands of dollars ultimately! I couldn't stop reading and completed it in one shot. I heard about this book on TPF, and got it on my kindle right away, glad I did so:) this book is crucial read for each fashionista.. Gatzogiannis gives wonderful advice on where to find great offers on top quality designer goods. their filter systems are awesome. If you've ever been interested shopping for designer goods and saving cash (or just shopping in general) than this book ought to be your new bible. Perfectly put together it's been some time, I haven't enjoyed publication sooo much.. Arm yourself with the author's experienced knowledge and plethora of secrets and suggestions. I always wondered how my friends could afford labels building the same amount of money I do!! I highly recommend this book. You will not be disappointed! Must Read!00! Looking forward to more from this author. it's extremely easy to read and Hrisoula gives out all of the dos and don'ts, and I cannot wait to use these tips:) Excellent Advice from a Talented New Writer This book is fantastic and exactly what I have been looking to read!. forget about! I enrolled in the YOOX.com email messages and guess what yesterday they had a huge sale of they spring-summer collections. She deliberately avoids discussing purchasing used products, so if you're interested in finding gently used clothes or components from ebay or thrift shops, this is not the source for you.. Yesterday, I used some of the tips that was in this book and got a McQueen purse (original retail price was \$1,495. I will never pay full price on anything ever again. Significantly, she notes ways that excited bargain hunters can be led to pay more than they should or buy more than they meant and ways to prevent overspending.. anyhow I ended up buying some gorgeous sweaters for Fall.. An essential guide This book is an incredibly valuable—in more ways than one—weapon for anybody who's serious about locating the greatest deals out there on designer goods and luxury items. I checked the fall shades. yes Fall! All the sweaters were \$29.00 each. I was so content I needed to cry. Many thanks! It is effort to possess labels and Hrisoula is definitely giving away all the short cuts. A well-researched, strategic approach to an otherwise daunting mission I purchased this for a friend who I am hoping can place it to great use one day soon. But even while a guy, I could appreciate that is smartly written, practical, and also entertaining for the educated reader. So I generally waited for the 40% sale at Banana and Ann Taylor..00) for under \$100.
