Instead of teaching them to hide their “s What Never to Wear, a full color make-up publication that shows teenagers how to embrace their very own inner beauty. Carmindy gives teens the beauty basics and greatest skincare practices had a need to grow up gorgeous. From the make-up artist on TLC ‘Carmindized’ she demonstrates how exactly to emphasize their finest features in probably the most effortless and teen-budget-friendly methods possible. Throughout, Carmindy reminds visitors to always face the globe, and everyone in it, with grace and a confident outlook. flaws,” in age-appropriate make-overs. Carmindy also offers inspiring assistance for dealing with a wide range of self-esteem and picture issues: from zits and glasses to bullying and peer pressure. Along with easy-to-follow makeup program tips, this book features beautiful, transformational photos of real-life girls as they get “

I love this book As a parent, I really like this book. Excellent info for young girls. Loved it. She lives a long time from me. Five Stars Grand daughter loved this Lovely book for growing teenagers Purchased this book for my granddaughter who only turned 13. My child references it often and since I'm not really a fan of large makeup and thick dark eyeliner, I'm thankful she can hear another person's educated opinion on it. She called me in the phone to say " GRANNIE " I really like this book, thank you so much. I think that speaks volumes. Loved this new Carmindy book! Carmindy is so encouraging! The girls in the reserve are spectacular and an inspiration for young girls. Adorable book for preteens just simply engaging in make up Adorable book for preteens just engaging in make up Five Stars Great book for my granddaughter who is "experimenting" with makeup. Recommend to anyone who understands, has, or relates to tweens and teenagers. Big thumbs up! Excellent info for girls First got it for my 14 year aged granddaughter, but acquired to read it first. My 13 year old child and I go through it together and had some great conversations. MORE THAN JUST ANOTHER MAKEUP BOOK! It offers sound suggestions and advice for pre-teens, and teens. Carmindy has used make-up and self-improvement recommendations (something all women can relate to) to guide young women with audio, sensible solutions. The makeup guides alone help the girls to enhance what's all ready there, instead of going to some gaudy intense that could generate bullying. She also suggests polite ways to deal with unfavorable remarks from others. BRAVO CARMINDY! This book is a must for any mom with a ... This book is a must for any mom with a teenage daughter. In this era of 'BULLYING' you can find hardly any credible books geared to the teenage and preteen generation that explain the issue. Great buy!
