150 all-natural skin, locks and body care dishes that are inexpensive, toxin-free, and possible for readers to create themselves. Homemade Beauty is normally a beautifully packaged collection of 150 all-natural skin, hair and body treatment dishes. From turning blueberries into a lush detoxifying mask to fresh lemongrass into a nontoxic bug repellent, Homemade Beauty will take the ubiquitous eat-local, farm-to-table idea and brings it to the beauty category. and thrill you when you realize these pampering items take only 5 minutes to make! Recipes like Almond Rose Body Lotion, Coconut Lavender Hair shampoo, and Brown Sugars Vanilla Scrub will enchant you with heady scents – Commercially obtainable organic beauty products are expensive, but they are easy and cheaper to make at home and most require 5 simple ingredients or much less. As reports on the dangers of chemical substances in cosmetics become increasingly alarming and the aspiration to live a far more natural existence grows, most of us are wanting to take beauty regimens into our very own hands to ensure we are putting just the safest and most natural ingredients on our bodies.
