I really like "The Big Book of Symptoms" I really like "The Big Publication of Symptoms":A-Z.I have three children. Two boys ages 4 and 5 years old. The lady is 9 months older.Each has different requirements and character. It's my encyclopedia! Today, I canJust open the book and look up suggestions and ideas that willHelp me manage their overall health. A perfect gift for all who like, and cherish kids! It's relaxing to learn that I have something to rely on. Specially, helpful for my 4 season old who has serious potty issues.Thank you for making our lives less stressful. Who knew so very much medical information has transformed since I elevated my children?I am sick and tired of researching online for helpful health tips.It's a fundamental publication for ALL parents. As a grandmother I purchased this very reasonably priced book to become acquainted with medical symptoms that may affect my grandchildren while they're in my care. I am so happy I did! I am super content that I bought "The Big Book of Symptoms: A-Z". Obviously, I am buying this significant publication for my friends, so when gifts for baby showers from now on! An ideal gift (and perhaps lifesaver) for all who like, and cherish children! Handy, concise resource. Google when numerous symptoms come up. It covers the majority of the common issues that parents are faced with in a good concise fashion. Glad I've it A very thorough book of symptoms. Has a nice pull out chart with the existing First Aid techniques. Well written and a fantastic reference for each and every household with small children. Highly Recommend! Glad I've it! Helps parents steer clear of the dreaded trip to Dr. Would highly recommend. Nice little mention of have around Nice little mention of have around. Yes, you can google symptoms, but I'm old fashioned and like to have a clear resource with assistance from a source that I trust, especially in the middle of the night whenever your child wakes up ill. I love that I can research a sign alphabetically and then quickly see if it's connected to other symptoms and indications of when to contact a health care provider. I think we will use this many times in the coming years. Brief informative.! A Household Must Have Great resource to have atlanta divorce attorneys household. Thank you. Five Stars Awesome book! Very useful! Would definitely recommend
