

The background of the entire page is a photograph of a coastal scene. In the foreground, there is a wide, sandy beach with some dark, wet patches. The middle ground shows the ocean with white-capped waves breaking onto the shore. In the background, there are rolling hills or mountains under a clear, light blue sky. The overall tone is peaceful and natural.

WHAT AL LEFT BEHIND is a follow-up to Daphne Simpkins' Your heart will never feel the same. It's about heartbreak. As disease works its course and leaves the building where you have already been trying to make a home. But in spite of its bad reputation, living with Al isn't. The home will never become the same. If you are a current caregiver of anyone who has Alzheimer's disease, you might not believe me, but it is true. This reserve is certainly a preview of the unexpected good gifts Al results in. There is a surprising and incredibly freeing future for caregivers after Alzheimer's touching memoir AN EXTENDED GOOD NIGHT: My Father's Journey into Alzheimer's (Eerdmans).
