Great book Riveting, interesting and fascinating. Needs some better editing. Could possibly be edited much better. A good starting point to learn about Katrina. It transports you in to the aftermath of the storm and the uncertainty in people's lives as the horrible occasions played out.!! Hurricane Katrina A great story of the tragedy that was Hurricane Katrina. It expresses the profound devastation and uncertainty of the storm- so real and so natural. Amid the disaster taking place, my heart melted for the like this father and boy had for each other. If anyone is seeking to read about an awful event of nature and the like between a boy and his father, this is the book for you personally! His experience sinks into your soul as he brings you into second to moment realities.! But more importantly he will make you realize that that is something that could happen to anybody, consequently it is not far from home.! I provide Prisoners of Katrina 5 celebrities! Prisoners of Katrina is one of the best books about the struggles that healthcare workers faced in the aftermath of Hurricane Katrina. Gavin tells it enjoy it is normally, with no-holds-barred! If you are searching for a good continue reading hurricane Katrina, that will maintain you at the advantage of your seat, this is the book to learn!!!Jonathan Little RN Five Stars Must read katrina inside orleans parish prison. Viewing the destruction that Katrina brought on television is one thing, but reading about her devastation and how everyone pulled collectively is another.highly recommend it. Unbelievable This book tugged at my heart strings. It transports you in to the aftermath of the storm and the uncertainty in people's lives because the horrible events played out Gavin's book puts a human face on one of the many stories from Katrina. Center felt! Prisoners can and will re-affirm your faith and hope in people, especially within their capacity for love and compassion. It really is among the best books that I've read in a long time. A week in time turns into an eternity in Limbo. Gavin makes time stand still. Weekly in time turns into an eternity in Limbo. Maintain them coming! You is there spirituality and almost actually.Wow! You will 'feel' heat, 'smell' the smells, 'hear' the noises, 'see' the pitch blackness of night time and 'squint' at the blinding white light of the sun. He captures the essence of being there.! This book is well crafted and genuine in thought and feeling. You will sit, and wait, not knowing where your loved ones are or if they are alive. What an unbelievable story.i am thus glad that the author's dad was alright and that he lived through the ordeal. this is a fantastic book. Awesome book Gavin!
