Add to that the fact that the ingredients in a home made lotion are organic and for that reason better from a wellness point of view and the choice can be an easy one. Strongly suggested The high cost of any store bought cosmetics are a big incentive to looking to making alternatives in the home. A winner and must read Excellent! Great photos were an advantage completing a good value bundle manual. I liked the recipes and felt the instructions were clear. awesome thank you for providing this book free of charge. Loved the wonderful, concise information, background and all the dishes, photos, and well-structured instructions. A winner and must read for making organic personal products. This book is currently my go-to reference for making organic lotions and butters. i'm always looking for non chemical substance lotions. after cancer surgery and being truly a diabetic, my epidermis gets really dried out. and a reserve for newbies. you have saved me a lot of money. thank you again. Five Stars This is great! Five Stars great service Five Stars A+ yes cool ideas
