Barbara Stanny

## Sacred Success: A Course in Financial Miracles

[continue reading](#)

In her work with countless powerful, successful women over the last 20 years, best-selling author and economic educator Barbara Stanny found that most women's problems with cash have little related to money itself, but rather their fear of or ambivalence toward power. Instead of pushing ladies to pursue financial success in the traditional fashion, Sacred Success seeks to redefine power from a feminine perspective. You can have more money, much less an end itself but as a tool for making a notable difference and helping others. You can be financially successful without sacrificing your soul or compromising your values. Sacred Achievement is a tutorial when planning on taking charge of your life by firmly taking charge of your finances, and not only growing your cash but creating a deeper, richer, and more meaningful life. It is possible to create wealth and workout power by staying true to your feminine traits, genuine truths, and personal objective.

I would help them understand us even more. I enjoyed how Ms. Concentrate on priorities, not really drown in obligations, as so many of us have inside our lives. The book is subtitled A Course in Financial Miracles, therefore I shouldn't complain about all the concepts and so on. It just didn't function for me just as much as her fantastic Prince Charming Isn't Arriving. I like the homework/exercises throughout the book. She presents spiritual insights and great financial advice. Very interesting I have gotten so much out of the book. I highly recommend this book. Jointly we are able to move mountains! Not New Age-y but similar to a spiritual finance/business course. Eventually you won't continue to accept minimum wage jobs, and you will stretch beyond your comfort zone and do things that make you uncomfortable ....like search for higher paying jobs. In any case I continue to get yourself a lot out of the book. Spiritual and practical I enjoyed reading this reserve and was pleasantly surprised I in fact learned something approximately finances. The author seamlessly combines teachings from A Program in Miracles with practical financial matters. I love what she writes about, and usually just how she writes. In the event that you feel like you have worth then you won't indefinitely tolerate a number of lower paying jobs. It was extremely brief on anything finance-related..... I would recommend this book to ANY WOMAN and many men as well." Stanny presents this information in a grounded way. I deeply resonated with her truth about females and success. I love just how Stanny writes about finding your purpose and . This was an incredible read. I have placed it on my altar . A very important book, especially for women. I like just how Stanny writes about finding your purpose and adding a spiritual component to the seek out meaningful work. I have already been on a similar path and everything Stanny says resonates with me and in addition gave me new insights. I've shared many estimates with friends and provided the book to friends too. Just how do we find meaning in all regions of our lives -- learning to be open up and take time, give ourselves authorization to listen to our internal wisdom. Stanny began the book, authoring her experience years ago when she found out her hubby was spending all her money and she knew nothing about financing and what she do then, but the book gets into each one of these concepts and I found myself skimming. Especially men married to women business owners or powerful ladies in general. I've just finished reading Sacred Achievement for the third time. To get the very best, examine her "Overcoming Underearning" too. A valuable book with encouraging and relevant articles. In "Sacred Success" she discusses the spiritual work of recovery in attitudes about cash. Everyone could reap the benefits of reading this several times in life; It was hard to complete the first several chapters. Love this book for specific reading and for groupings. Enlightenment to Achieve Financial Success While Living Your Purpose! Best about Ladies and Money Barbara Stanny is a genius. It is not only inspired and inspiring but also filled with practical activities anyone can take to achieve financial achievement while living their Soul's purpose. We picked it up once again when I felt stuck about my journey. Not only did the book provide confirmation that I'm on your path, it also showed me just what I need to do to heal what's keeping me stuck. What a relief! Thank you Barbara pertaining to your enlightened and comprehensive work! Increasing types income is in huge part a mind set and also in what one will and can not tolerate. I REALLY LIKE this book! Personal Power for Women This is another gift! Love this book! Interesting For me, there is too much concept and defining and talking rather than enough case studies. I will check out her books, though. I started a laptop dedicated to this reserve and thoughts that arise due to reading this. FIND OUT ABOUT Women & Money Buy it. Geared toward women but my hubby and my 21 calendar year old son enjoyed that parts that I read out loud to them! The author offers poignant stories and interesting info that educates the reader and helps the reader pull conclusions about how exactly to best check out meet the goal of increasing types income. The reserve was an easy read yet it had substance. Females and cash is a subject not often discussed. Highly recommended for anyone in conflict making use of their success. For the reason that one, she discusses the "outer work" of healing from underearning. Five Stars good Excellent help with claiming your personal Power Excellent help with claiming your personal Power! I'll definitely

read this once again. Some useful information It's okay. There were some good parts when it comes to building confidence nonetheless it was too New Agey for me. at 20, at 35, at 40 and before retirement, but there is a special benefit for females. This was an amazing read. I also didn't realize how many resources she had to work with even after her spouse went through a few of their money. I came across more helpful details in Karen McCall's Financial Recovery reserve. I'm not sure her sharing most of her psychological twists and turns while staying in a retreat room is all that helpful. I love things to become more straightforward. Always good to empower females but this wasn't for me. This is a really great book for women but I think it would be good for men too. I found this book to be among the best for empowerment for females. I gave one to my sister, who also raved about it. It goes way beyond financial achievement into how ladies are motivated and how exactly to tap into that. I have placed it on my altar so that I remember, "I'm going for greatness and prosperity.
