Young kids will love this vibrant and engaging story from starting to end. In this story, Miss Centipede wants to be colorful and lovely, she wants a pedicure. A pedicure for a centipede is certainly a big work and Willa the Caterpillar does a wonderful job organizing the salon and providing Miss Centipede the very best pedicure around. Anticipate to laugh! This humorous and well-illustrated tale may be the perfect bedtime story for small children, with rhymes and text message filled with fun and adventure. Can you envisage how complicate a pedicure for a centipede could possibly be? Miss Centipedes pedicure is filled with bubble baths and glitter and everyone at the salon lends a hand.

Great! Not merely is this a great little rhyming story for young girls, the illustrations are actually lovely. The butterflies are beautiful, as is normally Mrs. centipede. A great idea from author, Orit. so go That is an excellent purchase! loved it! Five Stars amazing and fan hope there more to come .. I liked this book it had been really fun to read and would like to try more and that's why i gave it a 5 star ranking. I anticipate reading the other tales in her 'Beauty books for kids' series. My kids wanted me to inform them the story again and again, so go This is an excellent purchase! loved it! The book is quite amusing and the illustrations were humorous. Recommended for all mothers who find their young girls asking questions about makeup and beauty. Great Book !.... Five Stars Awesome book! Such a great idea for a book I downloaded this book also for my young friend - and immediately visited have a pedicure at the mall! This is a rare possibility to become familiar with the colourful and magical world I recommend the book Hzhllachl who has young children I recommend the book Hzhllachl who has young children. Such a great idea for a book!
