Stunning Braided Hair styles, Beautifully Photographed and Explained The braided hairstyles in this beautiful book really are stunning, because the title says. Author Monae Everett makes it easy to follow her step-by-step guidelines with beautiful photos and clear directions. Not merely is this an excellent book to have readily available for when you wish to create a declaration braid, but I was amazed at the grade of the reserve itself, the heavy web pages, and beautiful photos, as well as photos of all of the tools you'll need and also photos for prepping the hair for certain styles. I usually purchase books in Kindle format, but getting the paperback on hand lets me refer to the instructions more easily, and provides my model something to check out and choose from while she's waiting.

Stunning Braids: Step-by-Step Instruction to Gorgeous Statement Hairstyles Beautiful pictures and broken down in steps to accomplish it yourself! Some of the tutorials possess as many as 26 techniques, but I think that is a good thing because it shows exactly each part of detail. I like the illustrations and how the braids are broken down for each step. I can do fundamental braiding, french and plating, but need more range for summertime with longer, thick hair. It takes a while to apply on my own but extra mirrors help. It's worth it to learn a beautiful style that is flattering. I received several compliments for my first style and look forward to using the rest. I've thick, coarse hair. Some styles are more suited for that and appearance "bohemian" but others tend to be more fitted to flat ironed or right, shiny hair. Excellent step-by-step instructions with obvious pictures My daughter found this publication when it came in the mail and got super excited! The reserve begins with several pages that talk about the various products, brushes, accessories, and hair styles that you will need to craft these braids. The pictures are clear, the descriptions are an easy task to put into action, and the braids are stylish. Instructions are clear with great photos. I don't believe I could do them on myself. I rate this reserve as 5 celebrities! Item as described Great seller! or my personal favorite: The Triple Mermaid Updo "Stunning Braids: Gorgeous Hair styles for Any Occasion from Function to Wedding ceremonies" by Monae Everett is certainly a braid how-to publication with a wide selection of braids and complications! Item mainly because described! Each style begins with a page photograph of the finished braid with the name. hair sprays and gels are all featured. Numerous types of hair pins, brushes, combs, & The very first how-to is a tutorial on how best to do a basic braid. She loves fashion, hairstyles, and is quite the tiny diva. I cherished that the author took time to explain how to do certain strategies such as for example backcombing or producing flatiron curls. She is 11 years old and really wants mother to up her locks braiding game. I could see myself using these for a trip to the seaside or an evening wedding ceremony! I plan to go through this publication with my 9 season old girl who LOVES styling hair. She has already mastered the basic braid and some of the others, but I think this is a book she'd definitely benefit from. The instructions are easy to follow, and the illustrations are clear and concise and display what needs to be done. Gorgeous braids and how exactly to create them step-by-step in the book. There are also YouTube videos which the author has created for a lot more detailed help. Great seller! We received a copy of the book for free in exchange for my honest unbiased opinion. Beautiful photography The book's bendable cover and gorgeous photography will appeal to the visual senses. But once the book is open, everyone will like the simplistic approach that the author required to explaining each braid and the easy-to-understand steps for each style. It will help so I am not really limited in using this book. The beginning of the book features different tools to be utilized throughout the how-to's. There is a brief description and step-by-step photographs and descriptions tell the reader just how to get the desired impact. My daughter and I adored this book. Both of us have longer locks and enjoyed trying out several

of the designs on each other. Great braids These braids are spectacular! This is definitely a book that I could recommend to my close friends. I received this publication free of charge from Goodreads in trade for my honest review. I get a blow-out or "keratin treatment" several times a year, rendering it easy for me to use my hair in any event. Each tutorial grows in problems until readers learn to make a Knotted Updo, or my personal favorite: The Triple Mermaid Updo! The hairstyles are both graceful and functional. If you are a mom like me who desires some step-by-step help then this is an excellent reserve for you! All of the braids have detailed pictures and instructions to be able to show you how to create each elegant braid. I would highly recommend this book to anyone who enjoys styling locks, or for someone who is just searching for a new hairstyle! We received this book free of charge in exchange for a genuine review.
