!! I love it!! Hilarious! Can suit children and parents alike !! Be kind to yourself and get this unique book, with a funny bright point of you. I turned it into my present publication !!oh Lice! Funny and bright!!! Pure fun I found myself laughing loud in my own room. I love the funny characters, it reminds me the family I don't possess :). The illustrations are therefore great; I enjoyed reading everything over again simply for the smart humor that hidden there Amazing, irreverent, a must-read! Great present for the holidays Five Stars The book is indeed lovely and fun to read I enjoyed it so much Totally brilliant! Totally out of the box, this one is a gem. Funny and beautifully illustrated. its an enjoyable book,full with humor and funny terms.!!! Absolutely brilliant! Highly recommended! amazing animation! The funniest book I've read recently, amazing animation!!strongly suggested I was rolling on the floor. I loved reading it. very witty, strongly suggested Very funny Love the illustrations! Strongly suggested!
