The writer connects with the reader in a way that only a female who offers experienced the struggle of selecting "clearness" in one's purpose can talk about! About the horse therapy and the ranch and the boss back the day. From the values she noticed as a young single mom and profession woman to the amazing rise to ownership of a successful software firm to the realization of a breathtaking fantasy, lifestyle keeps throwing out problems. And dishing out lessons. From a loss of life, to a raging fire that threatens her property and the lives of everybody in her sphere, to some life-changing decisions about her lifestyle, business and house, at each challenge, she searches for direction and meaning, gathering power to force on and make sense of it all. The theory that people reach our goals and live happily ever after is actually dispelled, yet there's fun to be found in waking up each new morning and operating through and around obstacles to get to a goal. I hope this book may be the first in a series, because there is a lot more I want to know. Collier's life experiences and this is she has found for the lessons life has taught her. I am waiting to hear when the next installment is preparing to enjoy! This book explores important ideas and a time of life that each woman can benefit from." This book is an instrument to assist you do that. It is created in the context of helping women look for a second career that is in tune with their core ideals and interests if they reach the place in their lives (frequently after retirement) where they're free to finally select what THEY wish related to their hard work. Her personal trip inspired me throughout I was attracted to this reserve because I am always searching for clarity and here it was - a book about locating clarity! It will be valuable for college students who remain deciding what their career will be, and also individuals who feel unsatisfied making use of their current career path. Mary Collier has a large amount of insight that she has gained through her personal remarkable journey. The book is brief, but well written and filled with information and also online exercises to help you shape yourself out. I highly recommend scanning this book. This publication is assisting me to regain concentrate. This book came just at the proper time for me. Excellent! Very Powerful! As a ladies approaching this stage of life, its great to have a resource such as this book to reflect on during the days, week, weeks of planning 'what's next' in life! Valuable Ideas! 2. A straightforward blueprint for me to follow. 3. A free workbook to greatly help me take action. Mary's viewpoint on the "New Age Woman" and the different ways we are able to impact this world for a lifetime is not only refreshing, but also inspiring. Which may be the focus, but I really believe this is a great tool for just about any one, female or male, who hasn't however figured that out. It is a true gem of inspiration and guidance. The queries at the end of every chapter helped me sort out the seven internal keys she explained to discover my very own clarity. I specifically related to the chapter on support to others. If you want more clarity about your daily life direction, authentic offering, or connected to your passion, I recommend this book. She Gives Herself as an Authentic Companion and Guide Mary took me personally on a self-awareness journey that inspired me personally with suggestions to explore, steps to take, and understanding to floor the journey. The writer connects with the reader in a . I find myself going back to pick it up for a dosage of clearness when I want it, reminding me this is not a solitary journey we are on. I've grown a lot these past year or two, internally in these same methods, but now I've found myself a little bit overwhelmed, getting bogged down trying to figure out how I will proceed. This publication chronicles her very own lessons learned, giving visitors an authentic companion and guide. Excellent!..Great Personal Tale With Lessons Learned And Shared Such a heart-felt sharing of Mary F. Wonderfully told stories to connect her ideas. Great read for anybody making career/second profession choices A vintage Confucius quote says, "Select a job you love, and you will do not have to work a day time in your daily life. Well worth enough time and investment (not to mention being understood)! its great to get a resource like this book to ... I love this book for the following reasons: 1. Great read! THE BRAND NEW Age Woman Can Make and Impact but still Have Balance! If you are on a quest to grow at all and you have come across this book, GET IT! It's always been my quest to find a balance between my business, family members and what I want to leave behind in this world. Thanks Mary for giving "Clearness"

and lighting my path to achieve success!
