Good Info and background lessons! now then, if you are looking for a picture book, look someplace else, there are a lot of those books out there. Ms. Paterek aims at learning the cultures of the Native peoples over the property by informing us tribe to tribe, who they were, their cultures, appearance, clothes, areas where they flourished and culture. excellent boo, excellent resource excellent boo , excellent source. Add it to your artwork reverence library. Five Stars Utilized as reference for my Breyer Equine costumes Beautiful A beautifully illustrated book with plenty if information on Native American outfit. Highly recommend to anyone thinking about making brand-new regalia. It is more of a learning device, not a study within their clothing. Not really what I expected Extremely good if you are looking to have more knowledge of the peoples themselves. Three Stars all pictures are black and white . Five Stars Good resource Five Stars GREAT Nice reference Book Great pictures of different Indigenous American regalia from additional references I think it is all authentically portrayed.
