What I liked most concerning this book was that it provides you . What I loved most about this reserve was that it provides you the elements benefits as well. Three Stars Very mediocre.. "60 Natural Hair Growth Potions" came to my rescue with a variety of recipes for making your own specialized product.. This will become my go to to any extent further.. These will possibly become donated to my area women's shelter. Five Stars Great book. I was motivated to try my hand at making natural conditioners.. I found this book to end up being very informative! It provides many hair recipes that I've under no circumstances heard about or used. I will definitely have fun t r d ying some of these. Great go to great information a good book to go to Enjoy this book; Encouraging read for those interested in DIY hair products Always admired those who made their own hair products. I am very satisfied with this purchase and feel it was more than worthy of the purchase price I paid. An excellent resource tool for anyone wearing an all natural hairstyle.! Helps a lot and has locks adrenaline recipe!!! Glad I came across this. The book was very informative. Not what I had expected! I actually discovered uses for products from my garden!Many ingredients aren't familiar to the average kitchen. Even though the purchase price was great I would not advocate to others. Five Stars I enjoy the simple recipes. Simple recipes . Loved it!!! Perfected my recipes I knew a lot of them however, not right consistency. Even sent one as a gift. I learn a whole lot of new quality recipes. The reserve was well come up with and clear to see 60 Natural HAIR REGROWTH Potions 60 Natural Hair Growth Potions: Natural Hair Care Recipes was Very useful. Having purchased many, many products intended for my hair, non-e provided what We felt my locks needed. Very Informative Digital Publication!.. The products I've purchased and didn't like?this easy read and I would recommend !. a lot more ideas with that i can develop my very own hair care products. This reserve does well encouraging people to provide it a try. Let the DIY experience begin! Okay Okay Browse, there wasn't really anything within that I hadn't already read somewhere else. Great Resource The review and ingredients are easily explained. I was expecting to have a guide about which recipes work best for several hair types. I recommend this book.
