Highly recommend for those who desire to add yoga into the routine of their families' lives. This particular book has been very useful. I recommend it. Excellent An exceptionally well-written and organized reserve with excellent information, research and resources. Yoga exercise Therapy for Kids with Autism and a particular Needs can be a must-have for just about any yoga teacher, whether or not or not they teach children/people with special needs. This book is an invaluable reference for parents and teachers that work with special needs. One of my preferred/'go-to' books in my yoga library. Veronica, RYT, MA and educator An excellent resource and guide for therapist's, students, and parents. Louise,Your expertise, interest, and dedication to yoga and children is on each and every page. I'm a particular ed teacher and can honestly say that author "knows her stuff! This will certainly be a valuable resource. Loved this book!" Five Stars Very comprehensive instruction for teachers or yoga instructors dealing with special needs college students.Have used most of the sequences in working with special requirements kidswith great results.COM Excellent This book is an excellent guide for dealing with Special needs kids. Great source! I am no educator, but a parent, and the teachings and assistance in this publication have already been very valuable to me in practicing yoga exercises with my preschooler. Great resource Great information!Luli Rachel Chandra Boca Raton, Florida TMSYOGA. This book is wonderful for therapy professionals looking to integrate yoga to their holistic practices, yoga students wishing to focus on pediatric therapy, and parents seeking meaningful ways to connect to their kids.The exercises are good and the class plans are well thought out. Excellent resource for parents in addition to educators This book is a wonderful addition to our family library.! The book is helpful, well-researched and an easy task to follow.I recommend it.
