As a teacher dealing with college students with Dyslexia, I ... Wonderful helpful book with guidance with children with dyslexia I learned so many helpful ideas to deal with my 8 12 months old granddaughter's issues with dyslexia. As students, busy with a MA in particular learning, it was a very important resource assisting me in completing an assignment on dyslexia Great book This book covers many different areas of dyslexia. Clear to see too! As a teacher dealing with college students with Dyslexia, I found this book helpful. I would recommend the publication to anyone (parents and grandparents) to obtain a better understanding of what dyslexia is certainly and how to help your child. readable and helpful information, key points highlighted, easy to read and understand Four Stars A lot of good and helpful insights of practical worth. Clear to see too Very helpful! Great publication for parents to learn if you are wanting to get informed. Five Stars A book every Family must have who deal with Dyslexia.
