Four Stars Still reading it. Spot on guidance and given with center and humor. My book club is usually adding it as an add-on over a few months, allowing time to think and plan. Excellent.. The author uses gentle humor along the way to ease the reader into doing the things that can make the parting less complicated on the survivors.PREPARE YOURSELF, Baby! Four Stars Most of us should browse and utilize this book as helpful information. A must read. Five Stars Very helpful for my ministry simply because a hospice chaplain. How wonderful that Margie Jenkins walks us through planning... I will start to take her recommendations and get structured. I am going to begin to take her . Five Stars Wonderful, informative book. AN IDEA to DIE For! Gives a step-by-step procedure for preparing you and/or your loved ones for the inevitable - a death in the family members. Five Stars Great information for a person's "exit" plan. Really enables you to sober . Shed a tear aswell!! Amazing and insightful. A tone of voice from God reminding us our address is not Earth!!! From the 1st page, you will end up convinced of the wisdom herein. It really is uplifting and enables the reader to think about death as a "celebration" that requires planning like any other essential event in a life... Excellent.or needing to prepare for the last chapter of lifestyle. Be Prepared, It is hard to take into account these things nonetheless it is necessary. This is a must read for anyone that's over 50.
