A respected therapist and addictions expert shares the powerful story of her own recovery from sexual addiction. In this intensely personal account, Staci Sprout traces her journey from the painful world of sexual intrigue and addiction right into a life of healing and purpose. The wisdom that emerges will end up being both a roadmap and an inspiration to anyone, male or female, who struggles with sexual addiction —, author of "Childhood sexual abuse and exposure to pornography got ignited a drive to become sexual that ultimately threatened to unravel her sanity and her lifestyle. Desperate for relief, she attempted psychotherapy, hypnotism, bodywork, and traditional and pagan spirituality. Nothing helped until a close to-death encounter became a turning point and she discovered her way in to the rooms of 12-Step recovery for sex addiction." Ultimately free of compulsive sexual behavior, Sprout specializes in making things correct with those she's harmed, and on discovering what healthy romance and sexuality might appear to be. What she ultimately finds is certainly beyond her wildest dreams.

D. Naked in public areas is a powerful and inspiring story that speaks to the courage that underlies recovery from childhood sexual misuse, sexual shame and sex addiction. She was an honors student and cheerleader, and later on a gifted young sociable worker. and to themselves.—With sensitivity and compelling detail, Sprout writes as a compassionate insider in regards to a world most haven't seen: intimate gatherings of men and a few women determined to heal from the sickness that was ruining their lives. Probably the most compelling recovery tales I've go through. *Naked in Public* is a gripping accounts of a woman who refuses to quit in her battle for dignity and freedom. In this memoir, Staci Sprout really 'leads with vulnerability.'

"*PICTURES: Striking pictures from the author's distinctive phases of lifestyle (childhood, teen years, young adulthood, engaging in sexual recovery, and recent) bring the story further to life. Claudia Dark, Ph. This publication is for all people who wonder if their tale will ever have a content ending. But her life acquired a dark twist that also her closest friends didn't suspect. *Intimate Treason*" and "IT MIGHT Never Eventually Me!t suspect."

Wow. Wow. (Then again, I must say I believe we just see issues when we're able, and my vision was obscured during the many years I was married to an addict myself. First of all, Staci offers been my therapist for days gone by four a few months, and during this time I have only skilled her as a curing channel of light and like -- which is why reading her memoir impacted me therefore much. Staci is made an indelible effect on the lives of several many people in Seattle through her are a therapist, and today she's continuing that sort out the written phrase.stays well repressed of their core. This publication really illustrates the curing magic possible when one is determined to change and ready to do the required work to transcend the past. It's also influenced me, and helped me obtain that my recovery is not only about me anymore, but it's about the hundreds or thousands of people I could help through finding a method through the gauntlet of life without having to rely on aged and toxic means of thinking and living. In the event that you relate to the struggles of sex/like/porn addiction, or understand a person who does, this publication will shed light on both the factors behind such troubles, as well as the solutions. Events of a sexual character are communicated respectfully in the context of recovery, and the sense of wholesome joy & Staci's composing is riveting, articulate, courageous therefore honest. It really is inspirational to learn how dedication to healing can create precisely that.I possibly could not put it straight down until We finished it. It still left me inspired, relocated and a sense of connection to the writer.This book helped the reader understand the etiology of sex addiction along with the way to avoid it of its horrific grasp. It's been such a long time since I go through a book beginning to end and as quickly as this. A true tale of recovery & I read this book in a single day. A must-go through for anyone influenced by addiction This stunningly well-written and beautiful memoir describes the author's experience of the the taboo and highly misunderstood topic of sexual addiction. It is a page turner with deep compassion. Many thanks Staci for composing your transformational story. I was engrossed in her story from begin to finish. I then found out my hubby of 30+ years was dealing with sex addiction and am healing from his disclosure. I came across hope in your tale, I'm deeply grateful for you.I'll definitely be recommending your reserve to my clients and their own families struggling from Sex Addiction as a tale of hope. The story balances happy, strengthening thoughts with challenges therefore the reader isn't overwhelmed when problems are resolved. And I'm so content for you Stacy!! which is just about all of us. I recommend "Rigorous Honesty" and "Half Measures Avail Us Absolutely nothing" are the two terms which come to my brain as I believe about my whirlwind initial read of this publication. In the muddled globe of addiction, co-addiction and recovery, we are able to trick ourselves in an infinite variety of methods. As honesty starts pervading our recovery, additionally it is

the bedrock of progress. I'm going to be recommending it to every female I fulfill in my recovery out of this point forward. I came across it in this book. As I go through, I thought to myself, "If she could be honest about this, I could be honest about that in my life." It was also very enlightening if you ask me to observe how 12 steppers can use, say, alcoholism, as their life struggle, when really, incest, or their own sexual addiction, narcissism, etc. To learn about her difficulties, trials, struggles and discomfort was such a surprise because it's hard to assume someone as kind and smart as her could possess suffered therefore much. This publication helped me evaluate many open loops in my life, and I look forward to a more comprehensive reading. I was deeply transferred by the honesty and amount of courage Staci offers in telling her tale. Regardless of the breathtaking incompetence and unethical behavior of the mental medical researchers encountered by the writer on the way, this page-turner of a book is filled with redemption, forgiveness and hope for the resilience of the human spirit, demonstrating our innate travel to pursue our very own curing and the shared humanity found in supporting the healing up process of others. A uncommon, authentic and raw must-go through for all whose lives have been impacted by addiction. Compelling page turning story of healing from sex addiction! healing Gratitude overwhelms as We've read this book, and the evidence is in the many highlighted & Staci Sprout is a courageous smart author with great clarity in her composing. And the understanding that we've each surely got to define that term (among others) for ourselves is priceless. iPhone, some of which appeared in my own texts to friends & family & Five Stars Amazing book! screenshot sections & She seems to intuit the crucial components of her life story & procedure that convey steps (not referring to 12-stage group curriculum here) had a need to illuminate a therapeutic path for fellow survivors of abuse & people who have a problem with various addictions. Thank you, thank you, thank you. Powerful, Riveting and Courageous. overcome the forces which have taken the pleasure from the lives of therefore many. Here's evidence, recovery can be done! excerpts in my own Kindle & Powerful, raw, and accurate -- an amazing gift of story Oh goodness, the place to start? Great reserve. I've known Staci since elementary college (I'm Kat in another of the first chapters), and I can attest to how she held her struggles close while preserving the authentically kind, smart and funny self that people all knew and treasured. As a long-period friend there were parts of the story which were hard to read--I thought back to situations in college, back to conversations we got in our twenties and thirties, and specific things make more feeling now. Thank you for having the courage to talk about your tale. Wow wow wow. I couldn't put this reserve down! Clearly Staci's route had taken her where she needed to go, and her hard-won growth has resulted in such a lovely story of healing and redemption. I have great respect on her behalf bravery and dedication to sharing her

life lessons with others, and I would recommend this book for anybody whose lifestyle has been impacted by addiction...! Wow! Naked in public areas is a must read and I look forward to more simply by this same author. Becoming in the beginning phases of my recovery, i must say thank you. Thank you for writing this reserve and displaying me that I'm not alone and how wonderful life can turn from the other part of this addiction. This is a startlingly honest reserve, beautifully written and so, so life-giving. Even if we can't relate to some life experiences in this publication, or are even wish to shun them, honesty is usually something to be respected and strived for. Loved this! So, it's actually eye-opening to hear about it from a female perspective. The title of the book is wonderful, because that is precisely what Staci Sprout did in creating it -- She has written so honestly and openly about her experiences that she has essentially completely bared herself to us, the readers, concerning her lengthy journey to recovery from her multiple addictions. I especially identified with being truly a therapist and getting betrayed and lied to, and feeling shame that some how I will have known. Inspirational, compelling, and authentic. I wish I'd known how to enter in at the time, to request better questions. It'll be a beacon of expect those fighting this addiction. actually my facebook profile- and in my journal entries as I've read.) But onward! Very relateable Must Read! This reserve will be of incredible help to anyone who has had their very own struggles relating to sexual behaviors, drugs and alcohol, and food, as they accompany Staci on her behalf trip of recovery. And for those of you who (fortunately) haven't had these encounters, the book will certainly increase your empathy and knowledge of anyone who has. I highly recommend Staci Sprout's book! Great story...real-existence struggle and victory over sex-addiction! I got lots of worth from reading Staci's memoire from recovering from sex addiction. I often associate sex-addiction as a man problem. Fantastic read. I gave the publication 4 stars because I wanted to hear even more about the recovery than the addiction, but besides that, I think it's a significant book for females to learn who might question if they are dependent on sex. Thanks a lot, Staci, for your honesty! Five Stars A deeply healing, inspiring, honest, and readable book!
