It's About Finding REAL LOVE I actually finally finished Ageless & I'm so pleased with my friend and I can't wait for her next masterpiece. Men, stick around because this reserve is for you personally, too. A real page-turner that ignites the creativity, that lights our desires, which makes us appear at our partner and ourselves in a complete fresh light. Or for the love of Pete, by their 40s. So when a last-minute Intervention, in their 50s, 60s and beyond. Sheila has encapsulated a lifetime of sensual-spiritual wisdom in its most accessible format. It is a must go through for ...Therefore, that is a book for everyone, all across the spectral range of gender, of sensuality, of sex, of sexuality, of orientation, and all adult ages.) searching for them to intensify to the plate and bring themselves fully to the table, in spite of the damage done by society to men's most precious and tender selves. joy, passion Brave!. Authentic & Or perhaps, in itself, may be the ONLY accurate and lasting love.---First Review---I am just entering the big 3rd or 4th act of my entire life, and I can hope that I could treat it with an Ageless & With courage and honesty Sheila Pearl invites us into her trip of discovery, joy, interest, and the pleasures that living as a sensual woman bring alive. I have the fantastic fortune of understanding Sheila personally and feel privileged to possess witnessed the evolution of the books and the various twists and turns of her trip. Liberated and liberating! Is certainly he a part of Stella, the inner ignition that people all possess, the fantasy lover we are able to make use of to light our internal flame, and occasionally our most significant and self-sabotaging ego that focuses on the passage of time, additional weight, oncoming lines and wrinkles -- or is he a genuine person? I desire every female would read this book in their 20s. the pleasure of finding love and life again As a female of a certain age, I can whole-heartedly relate to what Sheila Pearl has written in this fabulous small publication. It captures the discomfort of losing a partner to degenerative disease, the satisfaction of finding appreciate and existence again, the excitement of starting over on a fresh career route, and the hunt for true love over and over and again via internet internet dating. Rather than the trite and overused "content ending," the reader emerges much more: truth, and the "you're not alone" sentiment. The reader comes apart with renewed hope, interest, and a feeling of awe at the beauty of lifestyle and what it has to offer. No matter our age, we are sensuous, passionate, and alive! The energy flowing out of this book is incredible! Bravo for employment well done! First, let me say that Sheila Pearl is a gem and "Ageless & Older Woman Internet dating Younger Men I love that all chapter begins with a brief, yet powerful, dialogue between our protagonist and her inner voice. I love Stella's determination to go on a new career at the same time in her life when the majority of us retire by choice. I really like her determination to locate a intimate partner and explore her sexuality... EXCITING ! The Magic of Sensuality helps us available to this procedure. It is very important tread properly when dating online -- and much more so for lonely, trusting, older women. Stella lacks healthful boundaries.Stella is concerned that younger men might not get her older body sexually attractive, yet she finds guys her own age physically unappealing. If she really wants to maintain a meaningful and loving relationship after that she will have to focus more on character and less on sexual proclivities. This book isn't about genderfication, it's about transcending our flesh and being fully show another, being joined at the spiritual hip to your higher selves, and through that connection, inextricably bound to each other. Innovative! I am a 28 year old male who for some of his life was very shy around ladies, and didn't get quite definitely involved with the sexual procedure. A book that gets to out to the Ageless Goddess in every folks. Sexy mindset. She openly admits to her fear, yet fearlessly beats it back, again and again. Bravo! Well done!As I wrote to her, "This book should have a warning label: WILL KEEP YOU UP AT NIGHT!" HEART THROBBING !. AUTHENTIC! THRILLING! EXCITING! CAPTIVATING ! ALL ENCOMPASSING !. SEXUAL !I also believe that Stella's sexual self-

expression is reckless.. STIMULATING ! EMOTIONAL ! EMPOWERING ! AND. COURAGEOUS !These are a few words that describe this books charm and value to me. I observe this as a very powerful , much needed story of authentic romantic relationship experiences written in a unique style and fresh Voice that's prospects the reader to quiver with anticipation and desire! this is a source of inspiration ,guiding us to tune into our very own sensuality, using the tools of our intuitive wisdom , honoring our heart and soul. Men, you are not left out of the wisdom, younger guys would profit from the sure understanding that they are not by yourself in insecurity, in wrestling with sex and sensuality, and that there is a woman (or man..... Brilliant!.....and for all those not yet on the path, this just could be the bridge to awareness!Sheila Pearl's reserve invites us all to fill our senses with passionate desire also to touch the deepest part of our sensuality. As You read , you are invited into a creative imaginative journey ---a true love tale as you relate to your own sensuality and sexuality.Throughout, I was having a conversation with myself , inspired to explore my body and the body of my partner. Sheila invited me to feel my own healthful sexuality expanding , and I was led to revel in desire, pure center connection, sacred sex and spiritual partnership.That is , in brief, the Magic of Sensuality. AndThat is why is this a Magical Love Story ! I marvel at her courage and willingness to place herself out there in every that, um, naked glory.. I especially love the first chapters where we learn of the issues and struggles that Stella faces in caring for a bedridden husband. Honest and vulnerable in her expression, Sheila Pearl speaks to an audience searching for wisdom and lightness of center - a publication on how to free and laugh at yourself while feeling the pains and aches of life.Heart Centered Psychologist, Social Worker And Healer .Girl of all ages who desire to experience sexy , accept and like their very own bodies, and embrace all of their sexual desires as the Goddesses that people Are. Bold Brilliant! Bold! Because it's at its primary a publication about the human being spirit and a poignant illustration of the quest for self-like and self-reliance that is the fundamental prerequisite of obtaining true and lasting love.... Relevant !..Sheila Pearl shares her incredibly gorgeous and brave journey with us in her debut work which leaves a single wanting MORE! Whenever we are more open up , we're able to embrace existence to the fullest and enjoy. I would recommend this book not only for women of all ages but also for men aswell. Sheila's message is usually expansive and important for all who seek consciousness and communion with one's deeper, fuller, higher self.. Sheila Pearl's publication is a superb example of all of this.. A true love story for Ladies of most ages!.Men who acknowledge the Goddess and Divine Feminine in females and desire the healthiest Sexuality within their own Relationships. Thank you Sheila for the present that's YOU. SENSUOUS !. PASSIONATELY !. STEAMY !!next reserve please! I commend her on sharing intimate details and opening up in ways that lots of people would appear down upon. Dance to the Magic of Life - the Magic of Sensuality A book that kept my curiosity, a reserve that you can't stop reading. Sheila helps us to embrace lifestyle to the fullest, this reserve will help in starting our thoughts, our hearts and our soul. Every time I go through this book I discover brand-new insights, more joy, motivation and wisdom. For instance, she dates men whom she meets Online and after a couple of phone conversations is preparing to reserve a hotel room for two. Fantastic! This book was a fantastic and incredibly important book for me. Groundbreaking! I was fascinated with Stella's adventure into her sexuality in addition to into herself. I valued the "realness" of her character and the plot itself. Inside our everyday lives, we have been constantly trying to better ourselves.. "Happily ever after" with another imperfect individual is extremely difficult to find.. It explores the feelings associated with growing older in this ageist lifestyle we reside in.!. I learned a lot more than I could have imagined. The love story is so touching and Sheila has a lovely method with terms in her composing. I enjoyed reading

about her adventures and realizing that as I grow older my life can get better. Many thanks Sheila for writing this inspirational book!! Pearl is a gem !. I highly recommend this reserve to readers of most ages. Sexy" is certainly a marvelous narrative with fantastic prose and an exhilarating--at times, steamy--love tale. Sheila brings us the tale of everywoman Stella, struggling with her identification, her sexuality, her sensuality as she watches the calendar pages turn. I must say, I'm blown away. Essential read for females of any age but particularly if you're going through lots of changes and making big transitions in your life! Susan Gordon Rockwell. This gorgeous soul sure can be an open book!! Which is a book worthy of opening over and over. Sexy yesterday evening. Kudos Sheila !! I recommend it to my female individuals who are looking for . But she also brings a distinctive perspective on the male connection with women, once we have sort of playboy or alter-ego Matt who ignites Stella's fire -- something nearly every man wants to perform for special someone to them. -Will Rodman Liberated and liberating!! It is heartwarming to see how she learns to deal and embrace difficult experiences during her life. Essential for women who want to deepen their self-love and self-acceptance.. I recommend it to my woman patients who are searching for that something more. We have our highs and lows, our struggles and our strengths..
