Excellent Rear The book highlights lots of informative information that's needed when coping with children with ADHD. Excellent book I love the choice options offered to traditional medications in this book. Five Stars Plenty of great explanation of background, science, and alternatives... My child was recently identified as having ADHD. I enjoyed it so much that I bought my personal for my husband to learn at his convenience. A co-worker of mine experienced this reserve and lent it if you ask me. It was extremely educational and helped me understand more about ADHD and what my son is certainly going through. Highly recommend! An excellent reference for parents and educators. Five Stars excellent book! Five Stars Grest read Five Stars Love his books ! I've started to use a number of the methods described in the book with my child and I start to see the progress already. As a parent, the suggestions aren't overpowering or too challenging to implement. I enjoyed it so much that I purchased my own for . Pleased with Healthy ways So pleased with the healthy ways to help with Natural ways .
