! Worth the purchase. Excellent explanation Excellent information! Photos of mapping for volume and fan making methods would have been a perfect 5/10??This is a well thought out manual, with wonderful info.Thank you? A Comprehensive Training Manual Provides a solid basis for an eyelash extensions training course for an experienced educator and lash artist. Essential buy. Awesome For Instructors! Great simple volume book - plenty of useful forms and information. I'm excited to try out some new techniques explained. Awesome read!Five Stars Very informative information for lash training!! I couldn't find a greater volume lash training manual!however, it requires more illustrations. This publication was very educational! I certainly would recommend this for classes. Very good book I think this book is a must for lash artistsThe forms are wonderful, they're comprehensive and will make sure that your clients are fully informed Comprehensive instructional I really am content with this buy. This book is quite thorough and informative, covering everything from sanitation to building your organization. Good content insufficient playing pictures This book has the right content;! If they update with an increase of illustrations then I'll change my rating. Very informative I really enjoyed this publication. I def recommend. It includes a lot of good stuff u may never think about in regards to your lash business.
