! ?? I feel as if I have already been well informed in regards to what to expect while learning to be a new lash specialist. I can now visualize success. Thank you! Interesting Simple information but can be handy for a beginner not for a trained lash artist . Like the quiz ultimately of the reserve. It was readable and understand. The explanations of the different eye shapes was helpful. I am referring back to this information often for a refresher, as I continue studying eyelash extensions. Well Written Well written! Helped me start confident also your supply references were helpful. Ready to get started! - Highly recommend Highly recommend it follow me about ig about my lash page @rosee_lashhes Mostly common knowledge Common knowledge and outdated practices 2 stars just because lash maps and explanations of vision shape was just okay. Fast and simple to read The author was extremely detailed with the information! Great reserve for explaining how to apply lashes based on the shape of the eye! I would've prefer more illustrations in respect to the various kinds of applications. Please choose the book now! I am new to the lashing business but will use this details and helpful tips! Great book! Great review book to have Eye lash Tech I love the publication and the info given. Thank you Great Book Book is very informative. One Star Never recieved Must read Great book to read and become a lash tech!Lashista! Great, upfront Great reads for what I was looking for. Great Information I absolutely love this book and all of the helpful information! Become a lash technician now! Thanks a lot for your time in writing this book. Love Great information just what I was looking for ! I enjoyed reading this book! Very useful!! I would suggest this book as a great training manual. Many thanks for the info! Good reading supply I would recommend to anyone who is persuading in the eyelash field.Great tip in treats are given in this book
