Buy this for all those you like who are struggling or desire a better life We was skeptical.! The author has written something masterful. If you want parables just like the Alchemist, there is a parable. Go through it. The FLIP formula for turning around a poor situation is SUPER simple, but VERY effective and effective. I've stubbed my toe, gotten stuck in traffic, & I LOVE this book!.. My 18yr old then living in dread while attempting to enlist in military ended up heading g to live with my sister claims away.!You will be glad and "grateful" you did! The steps to FLIPping the Gratitude change are in terms that everyone will get! Among the things I enjoy do is talk about books that friends of mine have got written.because I have already been using it myself!.) I experienced a chance to meet the author and he had a really difficult experience that gave him the chance to develop this formula.One such publication is is authored by my friend and fellow speaker Kevin Clayson!Kevin has written the PHENOMENAL book "FLIP the Gratitude Change: A Simple Formula to Change the Trajectory of Your Life" . even hurt my back therefore badly that I was bedridden.! It works! I have been dropped in darkness and despair not able to work for the last few months following my 19yr old child getting forcibly admitted to a mental crisis facility and being identified as having schizophrenia.In working with clients in both their personal and professional lives I know people want a thing that can help them in the "right here and now" to deal with the stresses they face day in and day trip.Kevin's F. I had the fantastic fortune of hearing the audio book before I purchased the paperback version.We. Everyone needs a way to check out life in a far more positive perspective!formula is one such strategy. It is simple, easy to learn and easy to apply (you can learn it and commence applying immediately after getting instructed in the techniques. Formula for SUPER happiness!.which also doesn't take long).The book is approximately the power of gratitude and how you can apply it in your everyday life to change how you think, feel and approach lifestyle..Kevin's FLIP formula offers you a method to practice, use and feel the power of gratitude in what I actually call the "every-day-ness of life", those little (and big) frustrations that people experience day in and day out.As I read about and learn his FLIP technique We kept thinking "Yes!!" (but pleased you did Kevin!)Now I teach, teach and coach about gratitude, joy and happiness - and I am on the point of execute a major teaching on joy in the very near future. I wanted something that would enable people to immediately practice the concepts I'd become teaching.With Kevin's F.) I acquired the amazing opportunity to listen to the audio publication before reading this book and I understood within 5 MINUTES of the audio that this was a different book.I.P. formula I now have a means of assisting people and clients to use what I show and train in an exceedingly succinct, yet effective way! Even though you don't observe how this could be helpful, the writer lists a large number of practical good examples on seemingly horrible stuff in life can be turned around using F-L-I-P and Flipping the Gratitude Switch.This book has absolutely changed my perspective on gratitude and is a MUST read for anyone that's struggling with being grateful. It really is a great read, simple, not really encumbered with a whole lot of boring information, however fun and profound .As a matter of known fact don't let the simplicity of the F.L. Read this publication if you want more pleasure in your life Kevin Clayson comes with an infectiously positive personality that comes through in every word this individual speaks.P. #Gratiful LOVE THIS Reserve!..it works and works effectively (I understand....)!Kevin my pal you did a great job in writing this book and We am happy to be able to recommend it to others!As a matter of known fact I have a difficult duplicate. This is a fairly simple idea that has not made its way right into a reserve before but had a need to.. but at least I know about it now and I am confident that if you will apply the methods and concepts in this book each day can be awesome!! just do that for books I really,

really like!!!Folks...buy it. He is a great storyteller and there is never a dull moment even when he is exceeding research and statistics on the research of gratitude. Such a simple concept and yet so powerful.& most importantly Practice it!! intend to buy this for all those I care about in my life and also some for strangers that see struggling. If you are having troubles with being Grateful for things (or know of anyone that is)....this is essential read book! We met Kevin via social media mostly because I was curious if he was linked to me. This is an AMAZING book!THEREFORE I highly, recommend this book.. I was bitter and angry at the globe. I just wish I experienced known concerning this concept then;and I am getting the KIndle edition also!Kevin lays it out masterfully with great illustrations and practical tips and it had been just enjoyable to learn. The amount of books that I have read from beginning to result in my lifetime could be counted on two hands and this made that list! If you don't like parables (I'm not the biggest fan), it is possible to skip it and still get tremendous worth out the reserve....and more importantly talk about it with others! How wonderful the world will be if we all resided our lives daily with an Attitude of Gratitude!. Th 1st light in the darkness that's been in me flickered. Yes, I'm telling you the perfect stranger that you will be happier and discover so much benefit from this publication. I don't normally do the motivational/self-help books but I am ALL about this book! Gratitude may be the key.L. I really like the light! Kevin's terms are inspired. This is not an elaborate book with a complicated formula.. It's just a little modify and however it takes a lot of practice to be truly proficient at incorporating it into how you live. This book is AMAZING! FLIPPING intended for FLIPping the Gratitude Change!L. Still working on that part but I am so glad that people connected and could discover out about this amazing book. A simple, yet effective way for practicing Gratitude! That is my most favorite Personal Development book! Completely life changing for me after simply the first few chapters! I have been recommending it to my team! I recommend this book! One of the great things of this book, is that it is divided into sections: parables, personal tales, etc.. Within the 1st few chapters my change was flipped and I began speaking out to myself the countless things I had to be grateful for . Immediately life changing!! Guy, I desire I had considered this!! I've found myself using the FLIP formula daily and it truly is amazing!And here is why: as a corporate trainer, Emotional Success Coach and pastor I am constantly looking for basic, workable strategies that may truly help people to shift their thinking and emotional states in as little time as you possibly can. That preceded her being arrested after attacking her 18yr old sister and my needing to be the main one to call police.and then I used the concepts in the book to turn my perspective around and be grateful. I have been crushed and in that dark place trying cope with what has experienced like the loss of both my daughter's nearly at once.so no matter the way you absorb things, you will gain great knowledge from the book! PLEASE buy this book! I went to rest at peace for the very first time in weeks and woke up feeling g grateful and excited for your day to come. I completed the publication and I'm so excited and hopeful!! I've already shared it with family and my daughter's. I could just feel it. Excelent book! Much of the text made me smile, the audio a lot more. Highly recommended. Discover gratitude not "grief" in lifestyle!P. I had a chance to put this used with a flooded basement. (I get new carpeting, don't have to paint ourselves, all the stuff for my garage area sale has already been In the garage area, etc. I have been hearing for years the significance of gratitude but I didn't quite obtain it.books that I feel are really good and can really make a difference in the lives of others.! Awesome!. (I also don't

normally recommend books to strangers either, but yes I really like this book so very much that I am recommending it for you! It is a choice that we make, everyday. It is possible to tell that this book is actually his interest and his objective and that he genuinely wants to spread a note of joy and of finding what's positive in life. There is nothing inherently groundbreaking about how being grateful in existence is preferable to being an ingrate. Hundreds of books and content articles have been written on the subject matter. However, Kevin's strategy and excitement for the topic provide a fresh and basic way to look on the shiny side of every moment in life. If you are choosing between your written version of the text and the audio version, be kind to yourself and pay attention to Kevin narrate his message... formula fool you. LOVED THIS Reserve! Kevin Clayson techniques his method of incorporating gratitude into your daily life from different directions, at least one of that ought to resonate with anyone. Excelent book on how to basically snap oneself out of negative pondering. Recommend for EVERYONE! Five Stars Changing my family's lives simply by FLIPing the switch every day! Kevin manages to flip (no pun intended) how you consider and implement the usage of a simple word in your daily life. This Book Will Change Your Life Know that I don't throw those terms around openly or casually...gratitude. Before finishing the audio book I started to apply the concepts and found so very much awesome in my life. While I cannot say I'm there (however), being influenced by this book and implementing the useful lessons it teaches provides made an environment of difference in my own life. In the end, it's about perspective, which in the big scheme of factors, determines how you find where you're currently at in life and where you think you're able to go. This book imparts an extremely powerful message, one that we all should be available to receiving. Gratitude has been shown to become a major emotional state that greatly enhances one's pleasure and happiness, one's subjective well-being in addition to positively impacting one's behavior. About 2 years ago I was in an exceedingly dark place and was not grateful for ANYTHING. with gratitude.
