Requires a one-of-a-kind, utterly irresistible tour of fashion history through well known design icons of film and tv. Each fashion hero is normally showcased in gorgeously whimsical design by Higgins, who presents stunning sights of their most remarkable moments, inspiration boards, and profiles describing each character's signature design and trend-setting influence. Fictionally Fabulous is a full-color illustrated guide to a large number of beloved characters who changed the facial skin of fashion: from the flapper era embodied simply by Louise Brooks to polka dot-studded housewife Lucy Ricardo, working-girl chic Mary Richards, tartan-skirted Cher Horowitz in Clueless, the Scandalous Olivia Pope, and all our favorite style stars in between.
