With A Foreword by Lee Corso

Vinny Hynes and

Off the Clock: My Story of Early Retirement

continue reading

I have been retired almost as long as I worked and this book will highlight that a successful retirement is approximately so much more than money. Sign up for me as I show you how I successfully navigated an early retirement after working in the Florida education program for over three decades. Off The Clock will temper these fears and demonstrate that anyone can not only retire, but retire young. Too many folks are paralyzed by the monetary responsibility of retirement. Pension is a wish that everyone should enjoy.

Idea provoking and timely. This book highlights the chance of early retirement without being a millionaire. Hynes' humor and wit lightens his stories throughout. Vinny repeatedly stated that early pension allowed him to spend more time with friends and family. Essential read. Although his book fell way short concerning the monetary how-to retire early it did provoke believed on the psychological preparation. A book that's informative and a lot of fun to browse.. I would suggest this book to anyone who is complementing retirement. Hynes provided us the real value of human relationships with friends and family. Great read! Hynes does it in style. Vinny Hynes did a terrific job in telling us how to retire early with grace and far humor. The main advantage in scanning this book is usually that it confirms what is possible for many average-making people. He repeated this throughout his publication. Truly loved this fast read! Love this story about how exactly to embrace pension! Makes me desire to retire NOW! Jeri C. Family! There is evidence its not necessary a million dollars to retire! Creative tips about finances and an authentic feel for what is really important. Heartfelt and original Easy read. Great quick read Great quick read. I laughed and cried, came right down to what is important in life-FAMILY! I would suggest this to anyone. Loved it! Quick read.. Fun Retirement Mr. The author retired at age 54, without collecting social protection (although he did pull a pension). Five Stars
