In 2014, after being forced to give up her professional recruiting career because of excessive hospitalizations from complications of Cystic Fibrosis, Klyn Elsbury was confined to a wheelchair with her lung function plummeting below 40%. Her story has been featured in various publications including Manifest Station, Zumba blog, and she has appeared on several displays including KPBS, NPR, Connected Women of Influence, and NBC Nightly Information with Lester Holt. She actually is a nationally recognized speaker who will become presenting for the Business owners' It draws a parallel between what this means to live as if every day is usually your last and what it means to create a highly impactful legacy through entrepreneurship and athleticism. Through gripping interviews with influential business owners and sportsmen such as Boomer Esiason, Sharon Lechter, the co-founder of Netflix, and many more; the reader is used on a journey of what success is, what success is not, and how you can live a powerful lifestyle while creating modify in the world. Together, they're the co-owners of Landmark Manufacturers, a recruiting services company focused on high-growth companies offering workshops and recruitment solutions nationwide. She has since regained 30% of her lungs and currently lives in California with the like of her lifestyle. It was following a two-week hospital stay (one among 5 that 12 months) she tripped on a six week street trip across the United States to go to friends and family she wasn't sure she'd live to see again. I AM \_ : The Untold Tale of Achievement is a mixture of raw emotion and inspiring wisdom. Company at Alchemy in 2017.

..Perfect read to summarize 2016 and awaken to the . If you aren't inspired by Klyn's story, you won't be inspired by anything. It really gets you considering and starting to see your path clearly. This publication chronicles her personal struggles to conquer obstacles, along with interviews with several business leaders, to help inspire people. Perfect read to close out 2016 and awaken to the dawn of a new year. I loved this publication but I've recommended it to people .. Cant wait until you create another, very inspiring. Five Stars love the book. Her personal journey overcoming obstacles a lot of people would find unimaginable, with her compassionate make of entrepreneurship and joie de vivre, assists remind us what is really important in life. As an Entrepreneur, I loved this publication but I have recommended it to people in all areas of life and career because I think we are able to all resonate with it. Emotional yet fascinating! She inspires you to consider the route much less traveled in your, and to accept that you will have great things to come, in the event that you keep it heading. Continue the great work An absolute must read! Getting OCD, it was problematic for me to on the mistakes while reading. I would suggest this reserve to anyone. I will return back and reread this book again and again. Klyn has overcome therefore many barriers, genuine barriers, not perceived ones we occasionally get stuck in our head and displays if she can perform it, we can do it and the energy of the brain. I recommend this book for anybody looking to advice on setting goals or looking to maximize their life's potential. Well written and great story I actually thought this was going to be a story about a very particular person with Cystic Fibrosis (the author) and We wasn't sure I was going to relate to her story; Also, it read so easily, I'm not sure I have read a book this fast in quite a while. I am happy I read this book. but I was happy that she took it to a higher level, interviewing additional great achievers and sharing their understanding through her story. An excellent story and great lessons for anybody who wants to define their lifestyle as a success. Inspirational and intriguing read. Klyn's tale is among perseverance, hardship and overcoming that showcases the capability that every individual must help to make a choice to change. Brimming with emotive articles that still left me reading on the edge of my chair, Klyn's story of success evokes an unrivaled purity of the center that stirs up potent visual imagery that's brought to life through words. This is truly the most inspiring tale I have read this year. She manages to awaken inside of you the energy to be the best person possible. Without headaches read for those looking for inspiration and motivation. Klyn draws on several encounters, including others and their way about achieving success. On the surface, intrinsic ability appears to be a requisite, but there is thorough proof that practice and improvement may also lead to achievement. 5/5 Inspiring and Entertaining! Good book from an inspiring young author. Recommend. Klyn is a superb person and a great speaker and writer. Outstanding Read I discovered this book title on a LinkedIn connections web page. I am so thankful I did. This is a inspiring read. Inspiring quick read The title alone sets you up with the vision to create your own destiny, to not let titles define us but to take the tips and inspiration from the book rather than make excuses to get started or continue on our paths. Gave me the advantage I didn't know I was missing This is a robust read for those seeking to take their entrepreneurial passion to the next level. It had been refreshing to listen to insights from real business owners and the challenges they've confronted, alongside Klyn's journey to greatness it was an extremely inspiring take. Be the person you need to be - because you can. She manages to awaken inside of you the power to be the best person possible Klyn's tale is inspirational all the way around. She tells an account to be fearless and conquering the globe around her even in the face of adversity. Fast and easy read for those seeking inspiration and inspiration! Good book, however the amount of typos Good book, however the amount of typos, punctuation errors, grammatical errors, random apostrophes and hyphens really detracted from the book.

Recommend this publication, it changed my life when confronted with adversity and beyond. One of the main components of the book is the multitude of stories that are shared by numerous public figures that most folks didn't know were through some difficult occasions. It's great to read about figures who most of us "own it all", but Klyn made a goal to permit us a view in their narrative of overcoming it all. They're personal tales are beautifully tragic and eventually, triumphant. I'm thankful she did. It's a must-go through. Thanks, Klyn Elsbury for posting your truth and assisting us along the way. This writer knows how exactly to touch your heart! Definitely worthy of reading today! Each chapter you're met with exciting yet psychological adventures and stories, leaving you wanting even more with each page turn. She is an incredible speaker and writer, so when a business owner it really is so refreshing to hear her triumphs and trials. Klyn's book is an eye-starting account of what it's prefer to be in touch, majorly, with reality.! This book is insightful, interesting and good for anyone who's trying to understand how to get from A to B, in probably the most successful way.. This writer deserves an improved editor. This book is a casino game changer. A complete breath of oxygen that inspires and places lots of things into perspective. An absolute must have for you as well as your family.
