A wonderful assortment of recipes. This book was easy to read and follow. A HEALING LITTLE Publication THAT MADE ME SMILE. This was a quick read that I received as a free of charge download. This book teaches you everything you want to understand about making bathbomb from scratch to finish Thanks those goon body nourishing recipies Nora also explains how a few of the oils and fragrances can benefit the user. This is the sort of book that I will return to over and over. This is a nice book in case you are thinking about having a bath ... This book explains everything you want to understand about . depending upon the oil used you can combat of insomnia, relax, soften skin, reduce irritation and boost energy. By using a selection of essential natural oils your bath can execute a lot more than simply relax you.All in all a good read for anyone who wants to get more out of their bathing knowledge! Pictures and easy to follow recipes Recipe are an easy task to follow. I acquired learned a whole lot on making bath bombs.. I would have rated it 5 stars however the book had two oils\dry plants that have been unfamiliar to me. I would have liked to see a list by the end or beginning which would have explained in 2 sentences what the item was. Tons of great recipes and easy to follow! This a great guide to producing bath bombs. I like that all recipe explains the benefits of the substances within. The dishes and instructions are very easy to follow.. Great to learn ingredients Plenty of very good dishes but nothing is stated about how exactly to get those colors to complement those beautiful pictures! Five Stars fab Bomb your bath Such a great book! The pictures are a great added worth. Each ingredient in each of the bombs work to address the ailment she suggested it be made for. I cannot wait to start making them No color photos A bit disappointed, was expecting a color photos inside. NOW I AM hoping the recipes will be a hit hopefully. A SWEET BOOK OF RECIPES A Nice BOOK OF RECIPES THAT ARE TO THE POINT, HOWEVER IT IS WRITTEN IN ORDER THAT A KID OF 10 May CREATE A FEW OF THESE Small GEMS FOR THEMSELVES. In addition, it included the right photographic images that were colourful and attractive.NICE..... You will find loads of recipes in here, making this a great information, and one of the best go-tos! This is a good book in case you are thinking about having a bath which is more than just relaxing... The reserve gives ideas for beautiful, fragrant gifts that may easily be made in the home.
