FANTASTIC RECIPES INSIDE Happy with the book.I kept it for myself and also have made some milk bath.I was thinking about making holiday gifts for volunteers at the job. Three Stars Recipes are really no different than what you find online. Five Stars very nice simple quality recipes in it cant wait around to try some 5star Awesome One Star I dont know how to access my book. My niece was extremely excited to get this and tryout the quality recipes in this book. I really like the milk baths. This season I intend to make and mail different spa products and wanted a good basic book that would provide simple recipes and a variety of ideas. There are dishes for both bath & Enough information to get started with confidence Since I am on a restricted income, I've turned to homemade items for the bulk of my holiday gift giving. Having hypothyroid my skin and nails dry out considerably after several showers. I was happy that little book of less than 100 pages suit you perfectly. The milk bath is a great reward for this issue. shower items. The only real items which are somewhat costly will be the essential natural oils, but a little goes a long way and there are a few that are found in multiple recipes.this means I earned't be using that for food since after putting essential oils in it. I think for a basic book about them, this is the best book I've seen for the price. I recommend it highly. Cute but lots of ingredients I designed to give this to my adult daughter however when I saw just how many elements were needed to make the various products, I knew she couldn't afford them and will probably never utilize it. Clear to see. I liked it nonetheless it was expensive. If you're not worried about money or likely to make in mass, i quickly don't recommend this publication.... I can access the rest cheaply and/or in bulk, and I intend to keep some products for my very own use. Basic directions. I also got to use a blender. Nice recipes This is a good collection of easy and beautiful recipes for handmade bath products, such as for example scrubs, bath teas, bath milks. Excellent gifts as well. I would recommend it to the inexperienced who want to make some easy items quickly or to the more capable who needs some fresh ideas. List of elements upfront with description for people who simply don't know. Helpful to have the publication though. Five Stars great book, lots of ideas Produced my niece smile. Trust me unless you anticipate eating this stuff that i do not recommend, lol. The EO is meant to be 100% complete but that is not REQUIRED.. under no circumstances saw it! Loved the recipes! I make my own skincare products in addition to teach how exactly to classes. I really like together ideas type different books which one was a straightforward to follow.
