This book is a great resource. I really like this book. I could walk down the stairs, but I possibly could not climb up the stairs due to an unexplained severe discomfort in my legs which occurred actually overnight. Many Thanks Reading most of the prayers aloud unexpectedly resulted in a . I have been a student of Lisa Barnett since just after her first book. At that time, we'd only 7 curing prayers to utilize instead of 73. We love this publication. The best component is certainly that the prayers will work for you even if you have no understanding of the Akashic Information. Having said that, the rest of the text is very interesting and educational and I very much liked reading what she had to state. This is a great book to have and make use of daily. You earned't become disappointed by this reserve. It is filled up with unconditional Appreciate and is usually uplifting. Jim Teeter Connect with your inner soul and transform your life! Thankyou Lisa for the beautiful and sacred prayers; your book provides helped me so much! For about 5 months I have been struggling to climb the stairs. I possibly could walk OK; It is easy to examine as Lisa shares her story and explains this is and intent of every of the 73 recovery prayers she has channeled from the Akashic Masters and Beings of Light. I browse your book and used the Chakra Clearing prayers, and then the Healing prayers. Within a week I was able to start gradually walking up a single step at a time. I continuing with the prayers and now 6 weeks later on I can climb up two flights of stairs effortlessly. Though I . She shares ways to get your prayers answered. Whenever I am feeling rushed I state this prayer and immediately the stress falls away and Personally i think as if I have already been gifted with some more hours to my day time. Grandmother in Heaven I actually had a Psychic Reading and My Grandmother in Heaven came through and said I needed to buy this reserve to help me complete my journey. Chapters breakdown specific areas enabling the reader to select what is most applicable at a given time. Meditation exercises are outlined. Prayers are listed by the end of the reserve making them easy to find. Definitely term reading. I learned all about this everywhere am. I found her book extremely deep and understanding in the understanding that her these types of prayers and others are exclusive and specific to the situations that you are using them for. These prayers move beyond religious beliefs and go to the heart of spirituality, developing a welcome host to safety, unconditional love, forgiveness and beyond.. Liked the book but. Listen to my interview with Lisa on OVERCOME It! This is a gift from me for many of my family members. This is actually the first book I've read by Lisa Barnett, most of my previous contact with her work has experienced interviews. I came across the copious mention of God and additional Christian references, as well as the very curious mention of "Goddess", incredibly off-putting. Although brought up as an Episcopalian, a church that's relatively open-minded and stifling dogma free, the shockingly un-Christian rhetoric, bigotry and hypocrisy of the more fundamentalist religions, their leaders and their adherents sickens me and has turned me off to structured religion completely. Therefore if the prospect of almost all the prayers starting with and several including other references to Christianity is dismaying or offensive to you, you may wish to think twice before purchasing this book. Your Akashic Beings of Light will be there helping you anyway. So powerful.. Reading most of the prayers aloud unexpectedly led to a pure elation. Extremely powerful prayers. Some of her prayers possess helped me to gain access to profound experiences that I'll never forget. A Reserve of Prayers that runs beyond religious beliefs. She did a great show. I found her book very deep and understanding in the ... What a beautiful gift for all of us all. I could barely read this book in public it's filled up with such high vibration- gets me so emotional. I've used several of the prayers and found them to be powerful because The Akashic Masters are energizing the prayers. I right now carry it around with me and it is becoming a part of my daily routine... Each one of these Akashic prayers are extremely well conceived, well organized, well crafted and

from a faith-structured standpoint - these prayers keep nothing to chance, they miss nothing. Five Stars Great browse, inspirational. Guided prayers are useful and enlightening.. It has been Amazingly helpful beyond phrases and Lisa Barnett can be a Blessing:) Useful insights to achieving a well balanced life.. Your reserve is truly amazing and priceless!.. Helpful insights to achieving a balanced life. Steadily, the habit of daily repetition and concentrate allows me to open to a fresh spiritual awakening, and a discharge of previous energy patterns. It is the first time i feel connected to prayer and don't have to work hard to create my own verbal intentions/gratitude- its all beautifully written there already I feel that finally i've found the accurate instruction for spiritual development that i had been looking for. It's the first time personally i think linked to prayer and don't have to work hard to create my very own verbal intentions/gratitude- its all beautifully created there already. Aside from prayers there is a great deal of useful information regarding the soul's journey.. I highly recommend. Prayers to improve your vibration quickly Lisa provides prayers which will shift your vibration immediately! I especially liked the prayer to expand time. I found the ideas intriguing. Prayers are included for almost anything you can imagine. And then, easily discover that the same concern continues to come back, I can work with a particular prayer in even more of a daily concentrated practice by reading it daily for some weeks to help my soul, mind, and body to integrate the lesson.. Podcast! Keep an open-mind We am a self-confessed agnostic. A powerful Healing tool I really appreciate using the prayers in this book, because it is so an easy task to scan through the different prayers and intuitively feeling which ones are most appropriate for the problems of the day. There is so much spiritual energy and assistance from the Masters which come through the prayers, that also if I don't know what's most important to spotlight that day, I will select a prayer that speaks if you ask me and then recognize that, yes, that can be just what I needed at this time. They're powerful! Though I would omit any references to any deity when speaking these "prayers". A powerful direction towards abundant light and life-changing events Very profound. Lots of truthful meaning if you actually read and understand the intention of each prayer. I want this book was translated into many languages.
