The sum of all parts! Must confess that I'm a fan of Mike Dooley and his work. If you wish to live a better life, then this publication is the outline on how to do that. Filled up with Mike's surprisingly down-to-earth style of composing for a former international taxes consultant, snippets from The Universe, infographics and experiential possibilities to put what you're reading into practice. I know that sounds hokey and such as a couple of mumbo jumbo but it works. as though I currently knew everything I browse, yet, it was totally new info. We desire all kinds of things in lifestyle but things isn't what brings us pleasure, laughter, or sadness. He provides helped me live an improved life. Focus on making over the new you and brand-new 12 months by manifesting your dreams. It sounds simple and it is or it can sound basic and you make it hard, it is up to you and the universe. Mike Dooley did it again Mike did it again. I've go through and listened to Infinite Opportunities countless times and love it. In Taking part in the Matrix, he finds a method to explain the inexplicable. The future may surpass my current eyesight.!) and how to manifest it - without disappointment. He helps it be engaging. Immediately after I learned about "The Secret to Money" app for my telephone. He's become among the best five "unintentional gurus" in my own life (i. Expendable Reading Michael Dooley offers foolish answers with prescriptive solutions mounted on them. he prospects a life that I wish to emulate). Another amazing publication. Playing the Matrix is normally a program for living deliberately and creating consciously and Mr. Dooley delivers it in a apparent and concise way. The book clarifies the physical and metaphysical tools of manifestation to ensure that us to deliberately orchestrate the positive changes we desire to be able to live an astounding lifestyle beyond our wildest dreams. Six months ago I dropped an \$825 per month income source . The matrix he's created is normally ingenious. Thanks Mike for whatever you perform for mankind. I discover myself quoting from Infinite Opportunities regularly with my training clients. This is one of the best books on living your life to the fullest. I've been learning from Mike Dooley for a while, starting with his book "Notes From The Universe". Browse Florence Scovel Shinn for better assistance. this book can be all that and more. This is one of the best books on living your life to the fullest that I've ever read and I've been a student of "enlightenment" since 1980. What sets it apart is that it is all about learning to live your dreams and how exactly to do it with grace and convenience. Mike speaks from years of experience and it shows how much he's discovered. I'm sure I'll wear digital grooves into this sound book the same manner I have with Infinite Possibilities.. Best Reserve Ever on Manifestation Mike Dooley will it again. And to top it all off, it's a great examine.. But I did so return the book. The Matrix chart isn't in color in Kindle-very disappointing I wanted to learn this book, I really did. Nevertheless, the chart, the Matrix, which may be the centerpiece of the publication is in dark and white not color in the Kindle edition.!. While some of the shades can be determined (left is green, ideal is red) it's really disconcerting. The chart is normally apparently also in color on the back cover of the reserve, but the Kindle version does not have any back cover. This chart is indeed important it's amazing that they released the Kindle edition without the main point of the reserve becoming accurately communicated. I didn't take off stars for this because it does not think about the validity of Dooley's message. Just how many books can you say that about?. I especially liked where Mike informed us things that occurred to him during his lifestyle and how he got started, and most of most his encouragement. I'd been keenly thinking about the topic but put it aside. I fully and with candor admit to having a section in my own library dedicated to Mike Dooley's books. Certainly, thoughts do become items. I can foresee utilizing this awesome program with my customers and even encouraging clients as well as students to get their own copy of the book. I've done the video program and as a

person who prefers to sit back with an excellent book instead of have my eye burned out from a computer or TV screen - this book is fantastic! He breaks it down into simple steps and leaves the others up to you and the universe. I've individually manifested the life I love through the use of Mike's tools and ideas! Be open and invite the Matrix to work with and through you! Good advice This is one of those books that as I read it, everything simply sounded 'right' if you ask me . I tried to forget the missing colors but it became too confusing to attempt to figure out the colours, which column is green, which is red, which is normally yellow. I'll buy it in paperback rather. "Thoughts become items" is selling it brief. He teaches us how to be conscious creators of our lives, how to avoid self-sabotage, how to get rid of the "cursed hows," how exactly to fuel our dreams with enthusiasm, plus much more.e.. quite a hit to my regular budget. A few months later "Playing the Matrix" crossed my path. Yet doesn't enable you to off the hook considering you can sit around and not take action to follow what you want. During that app, I've held up with 'manifested cash' I've received within the last 30 times ..I purchased the Kindle edition and I'll choose the hardback because I wish to very easily reference parts to talk about with others. approximately \$8,500 (10 times more than the regular monthly income I lost). I firmly believe the exercises I've adopted in "Playing the Matrix" has been the foundation of my lately acquired "Financial Rock Celebrity" status. Thanks Mike for your easy to understand guidelines for playing the matrix.

Playing the Matrix: AN APPLICATION for Living Deliberately and Creating Consciously

Infirmitive It was easy read Greatnes!! Dooley identifies the colors of the chart through the entire book, so they are critical to understanding his concepts. I Love Mike Dooley and his function. It is how we feel about those around us and the moment we realize that what we want most is just a want. Five Stars Loved it Have One Question Before I Buy I wish to buy this book on Audible but I'm wondering if it's included the capability to download the Matrix Chart that's in the actual reserve? It seems to be an important part of the experience.Digging it, every step of the way. He constantly gives great tools, techniques and "thought upgrades"; Important I liked the majority of this book. Deliberately and Consciously Playing the Matrix A while back I had enrolled in the Hay House Summit and Mike Dooley was discussing Playing the Matrix. Notes from the Universe are amazing. It's a roadmap for manifesting anything we desire and it works. Better than expected This book helped me define my path in general terms and also have greater confidence in guidance from the Universe. And provides concrete examples and action actions for defining what you would like (happiness, right? Great book Entertaining and useful.
