Purchased for my 12 year old daughter. Five Stars Easy to follow instructions As described As described. Photos are excellent, and the instructions make sense I actually would consider this a small glimpse into the world of nail artwork. Its a small sampling of basic designs. Photos are great, and the instructions seem sensible. If you're just getting started in nail design, this is a good tool. Easy to read with instructions on doing styles and great illustrations.. I recommend it. Came to me In a timely fashion and packed well.. Spent hours together playing around with the designs. Good gift Got this for my stage child and she loved it she in the age of 14-17 thus she likes the nail artwork and she has tried a few from the publication so it made a good gift! Five Stars super adorable. bought for spa birthday party for girls to pick out nail designs. You will be the talk of the city and really enjoy the different ideas on how to do your fingernails..would buy again. Fast delivery Great reserve! She tried a couple of the designs immediately. Easy for a 15 yr old to make use of. Its fun and creative, some take a bit of time but its worthwhile for the sensation of accomplishment and plethora of compliments!Requires a bit of period but still fun I know its silly, but Personally i think like I am being relatively artistic when I really do some of these nail art designs. She will love this. Easy for a 15 year old My daughter loved this book. Has concepts for everyday nails & Great book!. Easy to follow I got this publication along with materials for my niece and she loved it. fun . Has concepts for everyday nails & fun holiday styles too. Creative Nail Art One of my favorite Nail Art books, with a ton of ideas on how best to put style on your nails.
