Funny therefore true! I like to contact this "the textbook of retirement." It's much better than academic research, psychology books, self-help books, and other things I've noticed. It's a publication of queries and answers, a lot of them hilarious and, sadly, accurate. The illustrations are well-drawn and i'm all over this. Five Stars lots of fun reading it in party. . I read it several times weekly. I'm a gradual reader, so it takes me 15 minutes to go through it. One issue: once you read it, you'll just have to purchase a few even more copies to send to your retired friends. Good quotes. Fun small gift for retirement. Sure to bring a laugh at a party. Five Stars this book was the hit of the party Humorous Retirement Quotes We ordered this for a manager retiring from our firm and read these in her pension party. paperback book is full of brief 2 liners making fun of retirement It is a small paperback book is filled with short 2 liners making fun of retirement. I am now hanging on to the book for when my father retires as many of the quotes apply to him as well! I will say those who have been retired appeared to 'get it' even more. I go through it with a few friends who've been retired 3-5 years. It's well worth it. lots of fun cracked my hubby up.. Everyone thoroughly liked them and it supplied some great laughs! I purchased it includes a gift for a pal just retired. Five Stars My friend loved her retirement book and it came in time for the party.! Overall it was a hit. It is not at all a reserve of quotations (I've seen plenty of quotation books about them, and have browse many Internet postings).. An extremely cute book with great quotesFor the retiree. My brother-in-regulation loved it.
