Great stragsties Great publication!.. She's reknowned throughout my local Utah picture and is frequently featured on the local news providing advice to parents.This amazing book by Clair Mellenthin is a really nice combination . I really appreciate the diagnostic and theoretical framework to every chapter prior to the interventions. Good resource Use frequently Amazing perform therapy book by Clair Evans-Mellenthin Amazing perform therapy book by Clair Evans-Mellenthin. Five Stars Great publication to use with children. Recommend to all levels of play therapists! Creative interventions and simple to use format. Our office loves this book. An incredible writer and therapist Clair Mellenthin can be an amazing article writer and therapist. This phenomenal book by Clair Mellenthin is an extremely nice combination of play therapy information, important focal points, interventions and not simply "do this craft," etc, but WHY you're carrying it out, what to look for and what you should process. Excited because of this book. Can't wait!
