with baking soda Everyone has baking soda readily available to help cookies rise and keep the pantry smelling fresh. In *The Baking Soda Companion*, Suzy Scherr explains precisely how useful this all-natural pantry staple could be. But this basic compound also has a large number of additional applications for wellness, cleaning, gardening, and even more. Make extra-fluffy scrambled eggs, clean the coffee pot, soothe bug bites, combine up toothpaste and hair shampoo, remove stubborn grass staining, repel backyard pests, and more. That is a straightforward, informative guide for anybody who would like to incorporate simple, affordable, and natural solutions into their day-to-day routine. 75 methods to make life easier—

. I closely looked at The Baking Soda Companion after eating a massive Italian family-style dinner. Despite sense stuffed, the quality recipes and accompanying photos Ms. Can't wait around to try more. I especially like the appearance of the dreamy, crispy roasted potatoes, and I cannot wait to try them. Not only is it full of fantastic ideas (who knew baking soda is indeed useful! Scherr describes with such treatment and humor. For example, I'll need to clean my grill soon for the summer BBQ time of year, and I right now know I should use baking soda to accomplish it. I'll also use baking soda to get rid of the persistent weeds in my yard. The Baking Soda Companion is normally chock full of practical guidelines for using baking soda. I'll recommend it to all my friends. Super helpful and an extremely fun read! I love this publication! I'm also worked up about the nonfood baking soda applications Ms.) it's also an extremely fun read! I love the fact that this is a publication that informs me tons of methods to use a secure, natural product that I already retain in my kitchen. Learning how exactly to incorporate another natural home staple, baking soda, into recipes, remedies, and cleaning solutions is invaluable. :-) This book is simply as much fun to learn and just as informative as Suzy Scherr's . This book is simply as much fun to read and just as informative as Suzy Scherr's first book on apple cider vinegar... Recommend and plan to order some more as gifts! I love the fact that this is a publication that tells ..The Baking Soda Companion: Great Dishes and nonfood Uses I agree with a previous reviewer's comment that Suzy Scherr's new book, The Baking Soda Companion, is just as impressive and informative as her previous superb reserve, The Apple Cider Vinegar Companion. There are a great number of ideas in right here that I plan to perform with my 5 year old child to get him mixed up in kitchen. Kudos to Ms. Scherr on such a worthy addition to my cookbook library! Awesome, informative book:) Awesome, informative book! Great reserve with great ideas I never realized that there were so much more uses for baking soda than We already new. Scherr offered in the reserve still made me salivate. Great publication with great ideas.
