FINALLY! FEEL GREAT IN YOUR CLOTHES! Life adjustments are exciting but hard. What an amazing book!! Love your closet, look your best In the past two years I have. Truth be told, my closet by no means worked for me personally. I worked for my closet. I purchased the "Capsule Books"; you understand the ones- the dressing fashionable, stylish. The result- I PURCHASED MORE CLOTHES! Like a lot of women, I had clothes in 3 sizes;!. I informed myself that it had been because I had an old house with little closets but, truthfully, no fancy designer closet could organize this misunderstandings. A tiny closet is liberating and this reserve is easy to read with concise examples, step by step instructions, and worksheets to assist in the process of creating a closet that's organized, orderly and a pleasure to look at every morning. I was intrigued. Was it feasible I had the majority of the clothing I actually required but couldn't see them? Couldn't place them jointly? Identifying and trimming closet extra fat, establishing a base of wardrobe neutrals, and learning steps to make your look pop are all outlined in a right down to earth, step by step, easy to follow manner. Well, YES! Kirsten M43Mom. But Clothes the offer is really for anyone who wants to transform their style and simplify their wardrobe -- no matter what age or work situation. And now this is concept is available in a book-CLOTHES THE DEAL. Jenn Map Bressan includes a fresh approach to clear the closet mess and helped me personally to CREATE A CUSTOMIZED CLOSET FOR JUST Me personally!!!! Her conversational tone and upbeat attitude make this a quick read while providing genuine solutions. No. After 13 years of being a wife, and 10 years of being a mom, I lost myself. If you're skeptical, read the book. Unquestionably! Gone are the ill fitting, odd piece clothes that hung (some for years) simply occupying space. My closet displays me. It really is paired down to clothes that I love, I wear, and actually pair with another thing! I Experience GREAT IN MY OWN CLOTHES! It is still a function in progress. It constantly will be. I have saved time and money.. Great book Great ideas about clothes & I think I've read just about every style reserve ever published searching for that elusive formula for effortlessly creating outfits. I'd get into a store and purchase what the mannequin was wearing, all the way right down to the add-ons. That worked once upon a time, but now that I've got more. The casual impulse buy are components that may elevate my existing wardrobe. Congrats Jenn! I still experienced closets chuck full of clothes with nothing at all to wear. let's simply call them curves. Thank you for this incredible book Jennifer Mapp Bressan.. I love how simple the formulas and design archetypes are- and how much cash I save by not buying things that don't function for my closet, or my life style! the outfits on the shop mannequins don't do it any longer. So I started therapy - retail therapy - which resulted in a closet full of clothes and mornings struggling because I acquired absolutely nothing to use. Along comes a lifeline in the form of Clothes the offer and Jenn Mapp Bressan. With Jenn's down-to-earth guidance and easy-to-follow steps, she's managed to provide my closet chaos to order, and I've gone from sense frumpy to fabulous with my very own personal style. Courtney, mom of an adolescent, on my second relationship and second career, feeling the best I've ever felt Jump Start Your Personal Style Inspiring, transformative.... That is more than just a how-to publication for creating a capsule wardrobe, its a philosophy with the aim of finding an individual style where the best thing in your closet can be YOU. Written in the real voice of the author with real life experiences, this is not a one-size-fits all recipe for what things to buy or how exactly to outfit, it's a step-by-step information to shedding the surplus in your closet culminating in an efficient and spectacular wardrobe that is 100% uniquely you. I recommend everyone to check adhere to her on Facebook and Instagram to see how she does it and use everything you have! I've utilized Jenn's teachings during the last 15 weeks to completely change the way I dressed, just how I

shopped and just how I considered myself. Was it freeing?! Entrepreneur. From closet chaos to personal style I've never been person who could put jointly even a semi-fashionable outfit. My search finished when I fulfilled Jenn Mapp Bressan and learned all about her Tiny Closet philosophy. easy to follow manner "Clothes the Deal" is a comprehensive guidebook to determining your individual style and lifestyle needs. Brilliant! Now in Clothes the offer, Jen expands on her behalf tiny closet concept for those of us in the work world who may want to look chic and stylish without looking as well young or trendy. and YES AGAIN! The instruction included within is so useful that anyone can adopt Jenn's principles. One day I saw a blog about a tiny closet with wearable clothes. Buy this book. Use this book to get styled. Easy formula for personal style "Clothes the Offer" has great, practical actions for creating a closet that makes me personally smile and feel confident. I really like the supplemental worksheets that help me discover wardrobe basics that fit my life style and personal design. The 4 step outfit formula makes it easy for me to construct an clothing on those occupied weekday mornings! Transform Your Closet—It's easy, fun and freeing.
