Encouraged By This Book of Hope Color Today Pretty: An Inspirational Guideline to Living a Life in Perspective, by Stephanie Feger, is this enjoyable book to read! A new perspective for your daily life Color Today Pretty by Stephanie Feger is such a lovely look into existence and how each second can be seen in a fresh light. While difficult circumstances can rob us of power and joy, Stephanie Feger shows visitors that with a renewed and new perspective, we can rest assured of God's existence around. By looking at night pain, the struggles, and the difficulties, we can find hope and pleasure.), and a female of deep Christian faith (she is! Color Today Pretty: An Inspirational Information to Living a Existence in Perspective, opened up my eyes to searching for and finding joy and peace when everything seems hopeless. This is an encouraging book with short, easy to read chapters. Stephanie Feger writes with openness and honesty, straightforward and friendly, like chatting with a good friend. Stephanie offers allowed the readers into her innermost thoughts and feelings, and the visitors of Color Today Pretty can't help but to reap the benefits of this, as they find encouragement and wisdom to help them through their lifestyle's walk. Readers will be motivated to be viewing for joyful blessings every day. I very highly recommend Color Today Pretty: An Inspirational Guide to Living a Lifestyle in Perspective. This publication is full of encouragement, wish, and reminders that God is usually always around. Her writing is actual and raw and you feel and see what she is going through.. It is so obvious that this publication can be a labor of love, you can experience it in the tone and content material of the publication. She produced me think of faith in a new way and consider things I might never have considered because of the way she delivers her message. I think anyone would benefit from reading this but in the event that you consider yourself religious or spiritual you then will absolutely love the message and delivery of the book. This reserve provides helped me tremendously without feeling like a self-help book, which is remarkable. The book could easily fall into a Pollyanna-esque genre with a happily-ever-after ending . Many thanks, Stephanie for making me laugh, cry, and feel the magic in my own family.. This book is for anybody who wants to "be more" than him/herself, yet struggles to find the time to breathe - let alone find the reason or "meaning of life" - in the midst of rushing to get ready to go from one meeting/activity to another in a harried, over-scheduled life. Stephanie's vignettes provide a raw glimpse into the soul of a individual who has believed deeply about specific moments in her life, from the mundane to the profound, and she provides up to the reader her perspective of how she gleans hope and positivity from each circumstance. The publication could easily fall right into a Pollyanna-esque genre with a happily-ever-after closing to each personal story; however, the discomfort, sadness, and plain unfairness of existence are acknowledged and so are not colored over entirely with a color brush.

Her stories will feel like your stories, whether or not you are a mother of three (she actually is!), married (she is! Stephanie Feger demonstrates the privilege of acquiring joy and grace in the most attempting situations.). Her ability to consistently remind the reader to turn toward God and lean into Him is normally nourishing and invigorating! Studying each chapter I sensed like I was sitting down over coffee or wines and chatting it up with my BFF. In conclusion, she uses the ugly blotches and splatters that pop-up in existence as a means to empower the reader to maintain pushing beyond self-doubt, confusion, and stress and anxiety to aspire to, as she so beautifully calls it, "color today pretty. Color Today Pretty is a straightforward browse where each chapter contains it is . Interesting. I found her stories very relatable as I recalled comparable situations in my own life. The way she sees life and how she could make the most severe of the worst situations positive. I loved this book I loved this book! Just as the author talks about the miracles in lifestyle and that nothing is by chance, this book found me. I think about this reserve to be among those little miracles- showing up simply when I needed to hear these terms. The stories shared in this book are simple, yet deep, relatable and thought-provoking. It creates me realize that we pick the lens through which we see existence and we should select the lens that will allow us the most grace and like. I plan on buying copies of this reserve for the warrior women in my entire life. Life is short, but if we are able to view our circumstances in different ways then life could be a whole lot sweeter. Studying each chapter I felt like I was seated over coffee or wines and .. Stephanie reminds us that God is all over the place.. Stephanie's writing is genuine and real. Her publication is so real and honest with humor intertwined that actually made me LOL. Personally i think more empowered right now to push forwards in my life with the things that actually matter. Personally i think better equipped to know what actually does really matter, versus what just sort of matters and honestly what shouldn't matter at all. Feger's first publication is normally amazing and I expect more to come! I found myself thinking as I read through the web pages.. "oh yeah, me too!" or "Interesting, I by no means considered it that method" and "I like that, I'm likely to give that a try in my own life." Positive, refreshing, and full of love This book reminds the reader to note the positives inside our day-to-day lives, and shows how shifting our perspective can make an enormous difference in how exactly we experience the world all around us. Stephanie's willingness to talk about her personal tales and reveal natural emotion, and her capability to see God's presence and strength even in the hard times is so refreshing and inspiring. You will relate to her because her feelings are common in a crazy world.! I would suggest this book to any person who is looking to find a more positive outlook -- Stephanie's terms can help with that! Well done! Inspirational, heart-sensed, and sincere. Most inspirational book EVER!

Accessible. This book was absolutely AMAZING! I hope that I'm able to change my perspective, both in the positive situations and the difficult, to find the beauty of the moment. A true inspiration to all. It's a good easy read, as if you were sitting in person having tea. A refreshing find out about perspective Color Today Pretty crossed my path just as We was starting to do a large amount of reflection in my own existence about perspective and contentment. I'd definitely recommend ALL moms read the book- gives you just a little perspective of what sort of child talks about life so pleasurable and beautiful- not really a treatment in the world. Moments to reflect and treasure. She is an truly Inspiration." Encouragement and Wisdom forever I feel like I've just been given unfettered usage of the thread that is woven together to create the fabric of Stephanie's soul. Absolutely incredible book about so many levels. Amazing Message and Heartfelt Delivery The way that Stephanie writes is indeed endearing and her voice is tender and understanding and vulnerable and everything you want in a book such as this. Color Today Pretty is a straightforward go through where each chapter contains its story of motivation, emotional pull, spirituality and practical real life guiding points in life. The tales capture you and captivate. I enjoyed all the stories - some funny, some sad but each is inspiring and easy methods to apply spiritualitky into your daily life. Wonderful, easy, exciting read. She does speak of God often but not in a pushy believe in my god method- more as - "relax, take a deep breath because someone offers this map of existence planned for you". A lovely way of reframing the queries and lessons of existence, while going through them.! Raw and real, and filled with emotion which range from tears of sadness to tears of pleasure. Real. Vulnerable. A posting of a faith-based approach to life that is conveniently shared and valued regardless of your faith. Inspirational. A lovely way to share, to soften the blows, celebrate the nice, and enjoy each day. It was a quick read, and one I will appreciate both revisiting and recommending. I am hoping you take time to Color YOUR ENTIRE DAY Pretty too. Getting my second child into the world I was learning my brand-new balance in existence as a working mom. Stephanie actually draws you into her world as a mother of three, but her central message is great for people of all age groups. Live and enjoy each moment, for we are all only upon this earth for such a short time jointly. Through Stephanie's different trials and tribulations individually and professionally the reader realizes we are all so similar in fact it is so essential to be there in every moment.. "How To" have an ORDINARY day time with MIRACLES and PEACE! I many thanks Stephanie to be such a inspirational part model to us all. If you are looking to find everyday miracles and peace in your life, you will like reading this publication! You'll laugh, you'll cry but primarily you'll be transformed by her amazing phrases and spirit for life. Wow! An incredible must read reserve.. Your dream came accurate! As i read each chapter I was flooded with such emotion that I

laughed and cried. There really is so much to be thankful for. Just what a beautiful writer. Stephanie's ability to see God employed in her life through common moments is truly inspiring. She shares true to life stories with her husband and three children. I really like Stephanie Feger's deeply personal tales. Stephanie comes with an amazing method of taking tales in her lifestyle and helping others feel connected to their life and how they can see a new perspective on an identical scenario. - Cheryl Ann Silich "American Gladiators" Champion and "Community Link" Christian Radio Show Host An inspirational real life book through the life span of the writer Stephanie.
