After reading his publication, I found out so much more. Also appreciated musings, philosophies, and other book references. Loved it! I understood about his trip, but I under no circumstances knew it such as this. I recommend this book! What are you waiting for? If you're going through hair thinning and feel it's stressing you out, this reserve is for you! I have been putting off the inevitable, but with Max's insight, I figured out there was no stage in waiting, therefore i focused on myself and I went bald. And I have never felt better! Honest account of balding for teenagers Very positive and honest account about becoming bald at youthful age. Want i had this reserve when i was young, but glad to learn everything the same. Do it! Great Book You'll love it. We are in need of more mentors like you! Thank you, Max. This will probably be extremely relatable to most of you. I believe it's wonderful how he's helping others! CONGRATS Max so proud of you! I have known Max for a long time now! Good read, awesome facebook group, strongly suggested!!, joined the group last year and it helped me a whole lot in life, Thanks a lot Max!! HIGHLY RECCOMENDED Max DaSilva may be the real deal. Enough time and dedication that he's placed into helping others is certainly unparalleled. And I understood that it was my time too. Read this book! Max can be an amazing and passionate teacher, author, and friend. I highly recommend reading this book! The Bald Mans Bible Max's life resonates with many who could be going through the same personal conflicts. Perfct book to have on deck. Truly Inspirational I didn't realize how much We could relate with his tale that he tells in this book. It shows people that baldness is not a thing that just a few people cope with and it shows how you can use it to create yourself an improved person. Nor do I ever think I'd relate with it so much. Great read Anyone who offers ever had to deal with hairless will enjoy reading this book. :-) This book is wonderful and filled with answers for those experiencing Male Pattern Baldness I really like how honest Max was and courageous about sharing his trip of hair loss. Max offers a better outlook on scenario that many men illogically feel may be the end of the world. I recommend this!
