Great Gift book for everyone! I cherished Cheryl Benton's and Roni Jenkins' publication, MARTINI WISDOM! There is a pearl of wisdom for every situation in this hysterical collection! Congratulations on your own first book Roni I'm sure many more to follow. With all of the horrible stuff going on around us, it had been a delight to sit back with this precious little book and have a few laughs. Thanks to the authors for that gift! Cheryl Benton, Founder of The Three Tomatoes, and her lovely daughter. girls will like it because they will also have the ability to relate to many of the life tips in this publication and take advantage of the wisdom and lifepaths their moms have already created. This is actually the perfect vacation gift! I simply bought a bunch! Witty and laugh-out-loud funny! Actually fun, quick read. It's smart, smart and sarcastic. Laughter and Terms to Live By I've the Kindle edition and need the paperback. It is also one of those little books to keep following to your bed or in the toilet that you like to look at over and over again because it is "that great" and will cause you to laugh. Need my duplicate to end up being signed by you amazing person/author. Hysterical OMG, I just read Martini Wisdom between conference calls and it was very hard never to laugh out loud! It definitely made my day. I'll keep it within my desk for potential reference. It is a great book if you want a pick-me-up and makes for a great gift.. I'm recommending it to all or any my girlfriends and it makes a great stocking stuffer. Most of us need a good laugh and this stylish, savvy, beautifully illustrated "little book" DELIVERS. It requires 2 very smart gals. Roz was reading aloud from Martini Wisdom as we mingled, laughed, and sipped our drinks. I expect that this will happen each and every time I open the publication. Arrive join the party, dahlings! LOVED Martini Wisdom: Midlife Musings Gather the "women", your favorite martini or cup of wine, and also have an excellent laugh about the joys of being a midlife girl who knows how to live life, with almost all its ups and downs, trials and tribulations, and general hysteria. I was transported to a marvelous cocktail party and was instantly taller, thinner and beautifully attired right down to my Jimmy Choos...Purchase this book for every girl and woman you know-- today's ladies will love this publication for they are strong, accomplished, daring, empowering, rather than afraid to speak their brain;. You will too. It is the giddiness you feel when you encounter comic genius laced with smart observations on existence after 40... to fully capture with humour and perspective the truth and wisdom of everything. It's an anywhere examine, it's a quick read, it's pocket sized, and a great vacation stocking stuffer. I had been cuddled through to my couch in my comfies sipping tea when all of a sudden I started hearing Roz Russell's Auntie Mame speaking. Loved it!" Somebody Get Me personally a Martini! It really is a small book with fabulous artwork and inspirational quotations and small more than enough to carry in your purse for re-reading if you have a free moment, and to have as an excellent conversation beginner. And I discover myself saying "I wish I had stated that" after each one. Martini ladies possess a resonance that may only come from great life encounters and a wicked sense of humor. A few webpages in, a strange point happened. Adorable I received my copy yesterday. The dedication says that it is dedicated to all the entertaining, and free-spirited women we know who are fully enjoying life at every age and every stage. While I really do not drink martinis, I really do drink wines, and I really like chocolate which book has a ton of golden nuggets that will perhaps you have smiling throughout and then laughing aloud. FYI it truly is a great hostess present for the holidays; I'm ordering a few more copies today "Darlings . Anne Akers I wish I'd said that! In truth, after tripping through this small book, Martini Wisdom and various other midlife musings, with its insanely pithy pronouncements and take-no-prisoners attitude, Personally i think as though I've already had a Filthy Martini with olives on the side.. We may be getting older, but we're also getting bolder. Kudos to the outrageous mother- and-child writing team. You nailed it! Every female friend on

my list offers been told to get two copies: Someone to carry around so you can keep feeling great about yourself, and one for your best friend. Do this, and she's sure to get the next round of martinis!
